Washington, Jan. 1st, 1864. Gentlemen-Having stated it verbaily to you, I have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland German Bitters During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be. - Truly your fried, THOMAS B. FLORENCE

From the Rev Thos. Winter, D D, Pastor of Roxborough Baptist Church.

Dr. Jackson-Dear Sir: I feel at due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system I was advised by a friend to try a bottle of your Ge man Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects. Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Retormed Church, Rutztown, Berks Connty, Pa.

Dr. C. Jackson - Respected Sir : I have buen tronbled with Dyspepsia nearly twenty year, and have never used any medicine that did mo as much good as Hoofland's Bitters. I am very diuch improved in bealth, after having taken five bottles .- Yours, with

February 8th, 1864. Messrs, Jones & Wyans -- Gentlemen -- My mother-in-law has been ze greatly benefitted by your Hoofland's Geriffian Bitters that I concluded to try it myself. I fift 't' to be an invaluable tonic, and unlesitatingly recommend it to all who are suffering from dyspepsis. I have had that disease in its most obstinate form - flatulency-for many years, and your Bitters has given me ease when everything else had failed. - Yours truly,

JULIUS LEE.

From the Hon. JACOB BROOM:

Philadelphia, Oct. 7th, 1863. Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one battle gave decided relief, the seconding effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.—Truly yours,

"THE LAMP,"

New and Improved Series, in Monthly parts, price 9d. Yearly, \$1,75. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns We are authorised to say that "His Eminence has been much pleased with the progress

of the Lamp, and the position it has taken. Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfinitful, and the approval of his Eminence, the Conductor of the Lump looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp much remains to, be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year. there is at least a good chance of his wishes being realised. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor—pulications which can harely be called Protestant, because they have no religion, and often openly teach immorality-the enccess of the Catholic Magazine would be assured.

It is their immense viculation, and the support they obtain from their respensetive political or religious parties, which enables these journals to bold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a similar manner, it is impossible for them to attain supe-
