HEALTH WHERE 'TIS SOUGHT

HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of Four Years' Standing.

Extract of a Letter from Mr Smith, of No. 5 Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12, 1850

To Professor Holloway,—

Sir,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of who after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than a hope of being cured, however. I soon found myself better by taking them, and so I persevered in their use for six months, when I am happy to say they effected a perfect cure.

(Signed)

WILLIAM SMITH.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma, and Consumption.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many proofs are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases of both adults and children.

I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases.

PARKER CLEVELAND, M.D.

Brunswick, Me., Feb. 5, 1847.

LOWELL, Aug. 10, 1849

Dr. J. C. Ayer: I have been cured of the worst cough I ever had in my life, by your "CHERRY PECTORAL," and never fall, when I have an opportunity, of recommending it to others.

Yours respectfully,

S. D. EMERSON.

Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effect of the medicine was unmistakably distinct:—

UNITED STATES HOTEL, SARATOGA SPRINGS,

July 5, 1849

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "CHERRY PECTORAL," which gave me gradual relief, and I have been steadily gaining my strength (all my health is well) restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you.

And am, sir, yours respectfully,

J. F. CALHOUN, of S. Carolina.

CHARLESTON, Pa., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly falling, and in such distress for breath, that but little hope of my recovery could be entertained. While in this situation, a friend of mine (the Rev. John Leller, of the Methodist church) brought me a bottle of your CHERRY PECTORAL, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great medicine.

With the deepest gratitude, yours, &c.

JAMES GODFREY.
