### THE YEAR NOW CLOSING

has been one of marked advancement for The Great-West Life Assurance Company.

The large amount of Business written points to the wide and growing repute of the Company's Policies.

It is clear that much of this large business has been influenced by the admirable Results to Policyholders under the 15-year Deferred Dividend Policies maturing this year and last.

The conditions effecting these Results show no signs of change—save for the better. Earnings on investments have never been so satisfactory as during 1908, or the cost of business so low.
