CHAMBERLIN METAL WEATHER STRIP CO., LIMITED

Kingsville, Ont.

Phone M. 4319

385 Yonge St., Toronto

EXPERTS IN FIREPROOF WINDOWS, DOORS AND SKYLIGHTS.

Skylights

"OUR IMPROVED" SKYLIGHTS are as wind, dust and waterproof as a pane of glass in a window sash, yet by an ingenious arrangement, we allow for contraction and expansion, so there is no broken lights. When glazed with wired glass they are also fireproof, and mean a reduction in Insurance rates. Send for booklet.
