FROM CORNELL UNIVERSITY:

HIRAM CARSON, Professor of English, Cornell University: "The great success which has attended the first American edition of Professor Meiklejohn's English Language—its Grammar, History and Literature is, of itself, an evidence of the high merit of the work. I have examined it very carefully, and consider it the best work of the kind, in every respect, now in use. Professor Meiklejohn enjoys the reputation of being one of the ablest representatives of the science of teaching in Great Britain. He is the author of numerous other educational works, all of which have met with signal success."

FROM ENGLAND:

The arrangement is natural; everything touched upon is made interesting, and the style is singularly clear and terse."—*David Pryde, Esq., M. A., LL. D., Principal of Edinburgh Ladies' College.*
