

J ANNEXE J
NOTE INTERPRÉTATIVE À L'ANNEXE J

It is understood that the fact that a contracting party is operating under a contract with another party is not sufficient to establish that the party is a contractor for the purposes of the article II (a) of the article XX of the present annex, unless the party is a contractor for the purposes of the article XIV and of the article XIX of the present annex, in which case the parties contracting on terms of the article II (a) of the article XX of the present annex.
