1/ A view was expressed that measures against arbitrary handling of the right to refuse Inspectors needs to be considered.

2/ In order to ensure that the process of designation of Inspectors, experts and supporting staff as well as of points of entry (and departure) function smoothly as from the date of entry into force of the Convention, the idea of the signatories indicating advance acceptance on the basis of a preliminary list drawn up by the Preparatory Commission should be considered.

3/ A view was expressed that the list of the experts and supporting staff should be kept to a minimum.

4/ This provision needs to be discussed further.
