

Business Guide – Mexico

How To Partner in Mexico was developed jointly by the Department of Foreign Affairs and International Trade (DFAIT) and Prospectus Inc. It was researched and compiled using several previous publications released by Prospectus Inc.. This market profile was made possible through the support of the Toronto office of Baker & McKenzie.

This market profile is designed to provide an overview of the range of approaches for partnering in Mexico. Although efforts have been made to avoid errors and inaccuracies in this document, it is not intended to be used as the only source of market information on this sector. We encourage the reader to use this publication as one of several resources for commercial dealings with Mexico.

Any errors, omissions or opinions found in this market profile should not be attributed to the Government of Canada nor to Baker & McKenzie. Neither the authors, the publishers nor the collaborating organizations will assume any responsibility for commercial loss due to business decisions made based on the information contained in this book.
