25 King Street West,
Toronto, Ont.

Dear Mr. Crowell:-

I have your letter of the 6th instant, and am sorry to note that some misunderstanding has arisen.

I first heard of your Annual Meeting being held on the 25th instant a few days ago and I stated in reply to the question as to the possibility of my going that I had a long standing engagement to speak to the Canadian Club of Montreal on that day. In these circumstances, I fear that it will be impossible for me to be with you this time. I think, though, that some one should go up from the University and I will see what I can do in that regard.

Ottawa had a splendid meeting last Saturday night and I am sure our Society of Toronto will shew equal enthusiasm.

With all good wishes, I am,

Ever yours faithfully,

Principal.
