

All candidates for scholarships (except those awarded by the City of Philadelphia, and the Philadelphia Board of Public Education) must transmit their applications and credentials to the Provost on or before the 15th day of May preceding the opening of the academic year in which they desire to enter. Scholarship application blanks may be procured from the office of the Provost.

No award of scholarships will be made until after the entrance examinations in June. Only such persons will be eligible for scholarships as have been admitted without conditions in June preceding the opening of the year for which the scholarships are sought. Holders of scholarships who incur conditions forfeit their scholarships.

A scholarship does not carry with it remission of any fee but that for tuition.

For a list of prizes see University Catalogue.

#### STUDENT EMPLOYMENT

It is advisable for a student of limited means not to undertake outside work until his second or Sophomore year. The Freshman year should be concentrated upon his studies, the selection of his friends and acquaintances and upon learning the methods of work and general conditions which obtain in a great university. A Student's Employment Bureau has been organized at the Houston Club of the University and full information upon opportunities for employment may be obtained from this Bureau.

#### INDUSTRIAL SERVICE DEPARTMENT

The Faculty has created an Industrial Service Department whose function is to assist Seniors and Alumni to opportunities in business for which their training and abilities fit them. Information may be obtained from Assistant Professor A. H. Williams, Director of Industrial Service Department, Logan Hall, University of Pennsylvania.

#### THE HONOR SYSTEM

The Wharton Association, composed of the students in the Wharton School, conducts the Honor System in all quizzes and examinations in the School. On each examination paper the Honor Pledge is signed by the student. It requires him not to give or receive aid during the examination. A student who violates his pledge is tried by the Honor Committee of the Association. If convicted, for a first offense, he is given a grade indicating failure for the course. If convicted for a second offense, a student is ordinarily advised to retire from college. If he refuses to do so, he is certified to the college authorities for official action.
