16. From close column (the right in front) to form line on a central company.

}	FORM LINE ON THE — COM-PANY.	} A caution.
	OUTWARDS FACE. QUICK MARCH.	

The several divisions to the hand they move to.

The named company, when uncovered, moves up into line to its marked flank.—Those that were in front of it, proceed as in forming on a rear company.—Those that are in rear of it, proceed as in forming on a front company.

In the deployment of the close column into line, a mounted officer HALTS, FRONTS each company or division (of which it is composed) successively.
