The Frontenac Hockey Club will be represented by two teams, senior and junior, in the O.H.A.

The Weston Hockey Club has again decided to play in the O.H.A. intermediate series. Officers have been elected as follows: Honorary president, N. J. McEwen; honorary vice-presidents, J. M. Gardhouse, H. Cousins, sr., T. J. Maguire, and W. J. Inch; president, C. C. McIntosh; vice-president, C. Lorne Fraser; secretary-treasurer, Lorne Farr; manager, Lorne R. Bartlett; executive committee, Gordon Coulter, Lorne McEwen, Arnold Smith, and Harold Coulter.

Thorndale has applied to enter inter-nediate and junior teams in the O.H.A.

The O.H.A. makes this announcement:

"The season for 'trying-out' with professional hockey teams is now at hand, and players are reminded that the amateur bodies recognize the 'tryout' as a departure from the letter, and the spirit that should govern. The O.H.A. has put itself on record as regarding a tryout as prima facie evidence of violation of the amateur law. The registration committee of the Ontario branch of the Amateur Athletic Union deals with the matter on the same principle.

"Fallure to come up to a certain standard of skill does not requalify as an amateur the player who has endeavored to break into the paid class. The fact that he did not make good is of no importance. He has left the amateur ranks of his own volition, but he cannot get back by that

triple-schedule, all N.H.A. clubs ave twelve home games.

The Patricks are evidently hard up for players. Del Irvine, whom they signed on Tuesday, was passed up when they executed their original raid. They closed with Dick and Del Irwin, both of whom backed out at the eleventh hour.

A Listowel despatch says: The nominations for office in the Northern Hockey League closed today, with elections by acciamation for all offices except secretary and vice-president. The annual meeting will be held at Palmerston on Tuesday, Dec. 7, at the council chambers, at 1,15 p.m. Milton, Hamilton and Burlington Hockey Clubs have requested a senior grouping in the N.H.L. for the coming season. An additional clause to the privileges granted to the soldier players working in ammunition factories be granted the same privileges as soldiers. The officers elected by acciamation were: Hon. president, Wr. J. Blackburn, London; past president, Dr. H. B. Coleman, Palmerston; president, Wm. Lustig, Chesley; treasurer, J. B. Morrison. Senior O.H.A. series with Berlin and the three other western Ontarlo towns represented. The Flying Dutchmen look strongest, and, while they were beaten here last Friday night, they looked to be a better team than the oarsmen. They were coming strong at the finish, and when they get ice they will loom up even more dangerous. Hamilton will have to attend strictly to business if hopes are to be entertained of beating the Dutch.

An effort was made to have six-men hockey introduced in the Lower Ottawa Volley League for the coming season, but the clubs would have none of the bobtailed variety of the game.

Victoria Times: There is very little activity in the hockey war. Kennedy is making fruitless attempts to induce west-carn players to jump, while the Patricks have about landed enough material to carry them nicely furu the 1915-16 season. Skinner Poulin has probably stunned Kennedy by his big demands, and the Canadien head has yet to reply to his telegram stating his terms. It would not be surprising to see the Patricks land a few prairie amateurs to keep on the reserve list this winter. Frank Patrick is reported to be dickering with an Edmons of the youngster until he is assured that he can induce him to cross the Rockies.

Bomonton Bulletin: As predicted a few days ago, Frank Patrick's latest phenom from the prairie provinces, the man whose identity is being kept a dark senless a personage than Duncan, the well-known Edmonton amateur. When questioned yesterday, Dunk admitted that he had accepted the Patricks' offer, and exipects to leave for the coast tonight. He is not sure whether he is to play with the Stand proportunity to show his real ability as a hockeyist. While he may not land with the Stanley Cup holders, whose championship line-up is praetically intact, there is no doubt Duncan wills season is far advanced.

Canadian Athletes

CHICAGO, Dec. 1.—An international athletic tournament, in which athletes from the United States, Cannda, China, Japan, Siam, the Philippine Islands and South American countries will take part, will be held next month under the auspices of the Ameteur Athletic Federation of Cook County, III.

Each country which will participate will have its athletes compete on home fields or in home gymnasiums. A report of the records made by each competitor and the results of the various events will then be sent to the Illinois organization. From these reports the officials will determine the individual and team winners. Competing athletes will be divided into four classes. Boys under fourteen years of age will take part in the running high jump, standing hop, step and jump and three-lap potato race. Boys under sixteen will take part in the first two events named and in the twelve-pound and five-lap potato race.

These same competitions will make up the program for boys under eighteen and for seniors; all competitors over eighteen years old, with the distance of the potato race increased.

Triple Schedule Will Be in Ef-Ready for Opening.

The Manitoba Amateur Hockey Association are going to have hockey this year and six clubs are going to play, but the association is going to see that the patriotic funds get a fair percentage of the receipts, whether there is any money made or not. The association has drafted out a system to control the finances of the game this season, and it appears to be a mighty good one, and it should also show that the clubs are not in the game for anything else but the sport. Mayor Waugh of Winnipeg, who is treasurer of the Athletic Patriotic Fund, will be the man to handle the money, and a special committee will see that the funds are properly distributed. All the money taken in will be pooled and divided as follows: Thirty per cent. of the gross receipts will go to the clubs to pay the running expenses; 35 per cent. to the rink, and the other 35 to the Patriotic Fund. Monarchs, 'Pegs, Vics, Falcons and two soldier teams will compose the series. The Manitoba Amateur Hockey Associ-
