

CONFIRMATION IN KING.

Impressive Sermon by His Grace the Archbishop, Toronto.

On Wednesday the 9th inst. His Grace the Archbishop of Toronto for the second time visited the parish of Schomberg to administer Confirmation. On his previous visit he came from Tottenham to Teanumoth church in the northern portion of this parish; but on the present occasion at his express desire Confirmation was given in the King church, about five miles east of the village of Bolton. This was one of the very few spots of his diocese with which His Grace was unfamiliar, and on that account he desired to pay it a visit.

Unfortunately the morning was still and gloomy, and the hills of Caldon on the western horizon were sprinkled with snow. At noon however a gleam of sunshine struggled through the clouds, and revealed a stretch of rolling country and gloriously tinted woods which evoked His Grace's warm admiration.

On his arrival at King church, His Grace was met by Dean Egan of Barrie, Father Kilounis pastor of Adjaia, and Father Morris pastor of Newmarket. Without delay he proceeded to question the forty candidates for Confirmation on the Catechism and expressed himself highly pleased with their answers. Whilst examining the children he managed to convey in his usual manner much useful and edifying instruction both to the children and their parents.

Mass being said and First Communion administered by Father Morris, His Grace proceeded to address the children and their friends on the great Sacrament he was about to confer. He began by explaining the nature and object of the Sacrament, employing for the purpose simple and graphic illustrations. This served as an appropriate introduction to the Sacrament he was about to administer—Confirmation. He expatiated on the graces this Sacrament conveys, and set forth how expressive are the ceremonies by which it is given. Finally he dwelt upon the obligation of professing the faith incumbent in a special manner on those who by Confirmation become soldiers of Christ. This part of his subject gave His Grace an opportunity of which he knows well how to avail himself, of setting forth the grandeur of the Catholic Church, under whose standard her children ought to be proud to fight. The means which should be adopted in order to remain faithful soldiers of Christ were pointed out—the importance of morning and evening prayer—the great duty of hearing Mass on Sundays from which no one could claim exemption on frivolous grounds—regular abstinence of the sacraments—the strict observance of the great virtues of temperance. Before administering the pledge of total abstinence until the age of twenty-one years which His Grace invariably does to candidates for Confirmation, he took occasion to point out in powerful words the misery and disgrace which intemperance brings not only on the victims but on the Church to which they in many cases belong.

To those who had received Confirmation many years ago, His Grace recalled this event in pathetic terms. He reminded them of those who kneel beside them on that occasion and had long since passed away and of the hands, now mouldering that signed their foreheads with the chrism of salvation, and exhorted them to prepare for the final hour by faithfully complying with their obligations as soldiers of Christ. The simplicity, pathos and emotion of His Grace's address as well as his fatherly kindness to the children and their friends, produced a deep and gratifying impression on all with whom he came in contact. He returned to Toronto in the evening of the same day having driven upwards of thirty miles that day—a good day's work in every sense of the word and one that will long be remembered by the Catholics of Schomberg parish. His Grace was accompanied by Father Walsh, whose ability wins him the esteem of all with whom he comes in contact be it ever so slightly.

His Grace the Archbishop of Toronto gave Confirmation at St. Patrick's Church, Toronto on Sunday the 6th. to 180 candidates. His Grace then gave Confirmation in the Catholic Church in the township of King on Wednesday 9th, on which occasion thirty-nine were confirmed. The children were prepared by Father Morrison. On Sunday next the 20th, His Grace the Archbishop of Toronto will give Confirmation at the Church of Our Lady of Lourdes at the 11 o'clock Mass.

Departure of Father Coty—The C.M.B.A.—St. Lawrence Choir.

At the last regular meeting of the Hamilton Separate School Board, Trustees Roman moved a vote of thanks to Rev. Father Coty for his services as Secretary of the Board and Superintendent of the schools. Father Coty goes to Dundalk to take charge of the parish. The motion having been carried, Rev. Father John P. Holden was appointed to fill Father Coty's place.

The different Catholic Societies of the city assembled at the C. M. B. A. Hall, at half past two Sunday afternoon, the 6th inst., and marched to St. Joseph's church, Looko st. S., where they listened to a highly instructive sermon from his Lordship Dr. Dowling, who spoke of sociology, then of the necessity and beauty of prayer, and recommended in particular the recitation of the Holy Rosary. The choir, under the direction of Mr. Casey, then sang the Gloria from Mozart's 12th Mass, Lambollotti's "O Salutaris" and "Auntum Ergo." The solo in the "O Salutaris" was well taken by Mr. Frank Dwyer. His Lordship then gave Benediction of the Blessed Sacrament. The pastor, Rev. Father Hinohey, thanked the people for their presence and their generous offering.

A very successful Concert was given Monday evening, Sept. 30, in St. Lawrence Hall, to a large and appreciative audience. The programme was as follows:

A very large circle of friends were sorry to learn of the death of a promising young lady, Miss M. Blake, daughter of James and Mary Blake, 898 Mary st. N., Hamilton, which occurred Sept. 28th. The deceased had been ill for almost a year; the ailment, which finally proved to be a tumor in the head, baffled the skill of the doctors. Miss Blake was but 17 years of age, and until the time of her illness, was a pupil of the Sacred Heart School, and a member of the Society of St. Lawrence Church. The funeral took place on Monday, Sept. 30, at 8.30, to St. Lawrence Church, thence to Holy Sepulchre Cemetery, and was one of the largest seen in a long time, denoting the high esteem and respect in which Mr. and Mrs. Blake are held by the community. May her soul rest in peace.

A Most Remarkable Cure.

One of the most remarkable cures recently obtained at Lourdes is that of a young lady named Millo Camilla Leclero, eighteen years of age, who went to Lourdes on the occasion of the National Pilgrimage suffering from paralysis of the vocal cords, which deprived her of the power of the speech. She is in the charge of Dame de la Presentation at Vanrosson, but the representatives of a Paris paper, which cannot be suspected of religious bias, has been allowed to see her. It declares that she can not only speak well now but can also sing. A doctor had diagnosed her case as that of complete paralysis of the vocal cords.

THE PEOPLE MARVELLED.

AT THE RESCUE OF MR. MEDCALFE OF HORNING MILLS.

Badly Crippled With Sciatica and an Intense Sufferer for Years—For Two Years Was Not Able to Do Any Work—Dr. Williams' Pink Pills Restored Him to Health. From the Shelburne Economist.

The completion of the local telephone service between Shelburne and Horning's Mills by Messrs. John Medcalfe and W. H. Mackay referred to in this column recently, was the means of bringing to the notice of a reporter of the Economist the fact of the remarkable restoration to health of the same Mr. Medcalfe, the chief promoter of the line. For about two years Mr. Medcalfe, was a terrible sufferer from sciatica, and unable to work. While not altogether bedridden, he was so badly crippled that his legs failed him as he occasionally hobbled about the streets of Horning's Mills, excited universal sympathy. The trouble was in one of his hips and he could not stand or walk erect. His family attitude, as the residents of Horning's Mills can

vouch, was a stooped over position, with his head resting on his chest. He says:—"For about two years I was not able to do any work. Local physicians failed to do me any good, and I went to Toronto for treatment, with equally unsatisfactory results. I also tried electrical appliances without avail. I returned home from Toronto discouraged, and said that I would take no more medicine, as it seemed as if I had to die any day. The doctor who was very much run down and the pains at times were excruciating. I adhered for several months to my determination to take no more medicine, but finally the action of Dr. Williams' Pink Pills strongly recommended by a friend. Before I had taken them very long I felt a great deal better, my appetite returned, and I was able to do some of my usual work. After using the pills for some time longer I was able to stand and walk erect and resume my work, in the full enjoyment of health and strength. People who know me marvelled at the change and on my personal recommendation many have used Pink Pills. This is the first time, however, that I have given the facts for publication."

On being asked as to the action he had returned, Mr. Medcalfe stated that once or twice, as the result of unusual exposure, he had experienced slight attacks but he always got over them as he has done on such occasions, and they never failed to fix him up all right. Mr. Medcalfe, who is 52 years of age, is in the flour and provision business, and as proof of his ability to do as good a day's work as he ever did in his life, we may state that most of the work connected with the erection of his six miles of telephone line was performed by himself. Mr. Medcalfe at the change and on my personal recommendation many have used Pink Pills. This is the first time, however, that I have given the facts for publication."

The public are cautioned against imitations and substitutes, said to be "just as good" as these are, and which are sold by unscrupulous dealers because there is a larger profit for them in the imitation. There is no other remedy that can successfully replace the place of Dr. Williams' Pink Pills, and those who are in need of medicine should insist upon getting the genuine, which are always put up in boxes bearing the words "Dr. Williams' Pink Pills for Pale People." If you cannot obtain them from your dealer, they will be sent post-paid on receipt of 50 cents a box, or \$2.00 for six boxes, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y.
