TORONTO FAT STOCK SHOW Promises Great Things for the Live Stock Business of Ontario.

From present indications the first annual Toronto Fat Stock Show, to be held at Union Stock Yards, Toronto, Dec. 12 and 12, next, will be a big success, and of great educational value, the object of the show being to bring stockmen, feeders and shippers alore closely in touch with the market demands, so that stock may be bred and fed with greater profit to themselves. The judging will be done by practical and experienced men, who know the market requirements.

JUDICIAL SALE

Pursuant to the Judgment and Order for Sale made in this cause, and bearing date-the twenty-hinth day of June, 1910, there will be offered for sale, with the approbation of the Master-in-Ordinary, by C. J. Townsend & Co., Auctioneers, at their auction rooms, 66 and 68 King Street East, Toronto, on the 10th day of December, 1910, at 12 o'clock noon, the following lands and premises, in one parcel, namely:

The north half of lot one, in the twelfth concession of the Township of Lorrain, in the District of Nipissing, in the Province of Ontario, and otherwise known as Parcel 3773, entered in the Office of Land Titles at North Bay in the register for the District of Nipissing, comprising one handred and sixty acres, more or less.

The said parcel is situated in the northwest corner of the Townships of Coleman and Bucke, about three miles east of the Town of Cobalt, about four miles by wagon road from Halleybury, and two and one-half miles from Argentite, the nearest railway station. Upon said property there is said to be considerable small timber and pulpwood, with a creek running through same.

The geological formation is also thought to be favorable for the occurrence of valuable mineral deposits. There is considerable exposed rock on various portions of the property, with a ridge of dabage running in a general north and south direction along the westerly portion, and another on the easterly portion of the said lands. There is also a contact between the Huronian and Diabase rocks in valuous parts of the lands. A certain amount of development and prospecting work has been done thereon. There are also said to be three log cabins and a stable on the lands.

The lands were originally granted by the crown in 1906, under the Land Grants to Volunteers' Act and Amendments, and subject to the usual reservation of pine timber and five per cent. acreage for roads, and otherwise as in said act and patent of said lands referred to, and the vitle is registered under the Land Titles' Act.

The purchaser is to accept a vesting or

A BROKEN-DOWN SYSTEM. This is a condition (or disease) to which doctors, give many names, but which few of them really understand. It is simply weakness—a break-down, as it were, of the vital forces that sustain the system: No matter what may be its causes (for they are almost numberless), its symptoms are much the same; the more prominent being sleeplessness, sense of prostration or weariness, depression of spirits and want of energy for all the ordinary affairs of life. Now, what alone is absolutely essential in all such cases is increased vitality—vigour— VITAL STRENGTH & ENERGY to throw of these morbid feelings, and experience a proves that as night succeeds the day this may be more certainly secured by a course of THE NEW FRENCH REMEDY
