Hamilton Intermediates Win Game by One Point

Centrals Expect to Reverse Score in Return Game in Hamilton on Monday Night—Winner to Meet London in Finals.

In a bitterly contested game at Central 5 gym last night the Intermediates team of Hamilton defeated the Central Intermediates by a single point, the score being 6 to 5. Smith and Johnson starred for the winners, scoring eleven baskets between them. For the locals Carlick was most conspicuous. White and Chubb both played nice ball, although each worked under a handicap thru injuries.

Mr. Maudsley handled the game well, having the play under control at all times. The line-up: Hamilton (48): Smith (12) and Johnson (14), forwards; Schnable (8), centre; Westhral (9) and Crocker (4), guards; Toronto (47): Chubb (4) and White (25), forwards; McDougall (4), centre; Carlick (20) and Brook (4), guards.

Central Juniors scored a nice win over St. James in the preliminary game, the score reading 28 to 23. The half-time score was 18 to 10 in favor of St. James. Tom Armour was the referee, handling the game in good style.

The return intermediate game will be played in Hamilton on Monday night, winners to meet London in the finals in London on Saturday, March 23, with return on the floor of the winners of this series on Tuesday, April 2.
