ADDING INSULT TO INJURY.

While conversing with Miss Esmerelda Longcoffin, an old maid of Houston, Texas, she asked a young man in a bantering tone:

"How old do you really think I am?"

"About thirty," he replied.

"You are joking," said Miss Longcoffin, indignantly.

"Well," said the wretch, looking at her more critically, "you can't be much older than thirty-five or forty."
