finished on the University Lawn Saturday afternoon and resulted in a victory for Ontario by 261 runs to 136. Play was resum-Martin and Boyd at bat, and they ran' separated. These two, with Lyon, did the best work with the willow on the second day, and with Wadsworth's splendid bowling, they had little difficulty in defeating the Lower Provincials. Gilbert and Philpotts alone remained any length of time at the wickets, and they did the most to raise Quebec's score to 87, or 125
bebind Ontario's total. Wadsworth's performance with the ball during the two
innings was a great one, 11 wickets for
47 runs. The score:
Ontario, first innings, 66.
Quebec, first innings, 87.

CONTARIO WAN THE MATCH.

the reason I bring this to your notice is this: 1. That this is not the first time Toronto C. C. have played this contemptible part toward us; they have even sent up a man at the very last minute (wnen wicket has been prepared and men were dressed ready to play), to scratch the game. 2. That the Junction C. C. supporters are just as anxious to see cricket played at the Junction as the supporters of T. C. C. are at the Lawn.

A BAT FOR THE HIGHEST SCORE. A BAT FOR THE HIGHEST SCORE.

The Griffiths Cycle Corporation of 235
Yonge-street report a wonderful sale of
cricket bats this season, the big firm having supplied all the local clubs with their
willows. As a return favor, Manager D.
F. Maguire has donated a bat to the Canadian Association to be awarded to the member of the international team who makes
the highest score in the approaching match
with the Phillies at Rosedale.

The Hamilton Cricket Club defeated the Rosedales of Toronto Saturday very handly. The score at the end of the first inning was: Hamilton 82, Rosedale 29. The Hamiltons were at bat for the second innings, making 277 runs. Rosedale did not take their-second innings, and only the rst innings was counted.

Right of Way for the H. & B.

There seems little chance of the special committee of the City Council accompilshing which it set out to do, viz., procure for the Hamilton and Dundas line the right-of-way along the street railway tracks to Hughson-street. President Osrer of the H. & D. says that after all arrangements were made for this purpose the street railway people backed out and demanded fresh terms. The city authorities claim that the right to use the street railway's line was given by bylaw, and it is likely that a short time will see legal steps taken to enforce it. The accomplishment of this running means the centralization of the electric traffic in the city and the freeing of several important streets from rails.

They Found Beer.

Last night Sergt. Pinch, Sergt. Robinson and several constables raided R. O'Brien's restaurant, No. 107 Stuart-street west, believing that liquor was sold on the premises, which are not licensed. The officers seized a large quantity of beer in genger ale bottles, and two kegs of the same intoxicating liquor. O'Brien will have to face the Police Magistrate on a charge of selling liquor without a license. He was fined for the same offence a few months ago.
