THE UNITED STATES AND SPAIN MUST SURELY COME TO BLOWS!

REPRESENTATIVES PASSED THE RESOLUTION

Which Means That Warlike Measures Are to Be Adopted

SENATE FOREIGN COMMITTEE'S REPORT

Was Delayed Till To-day, Owing to the Representations of Mr. Hoar—Debates in Both Houses Were Vigorous and Exciting—In the Lower House There Was Almost a Riot, but the War Resolution Passed Almost Unanimously.

Washington, D. C., April 13.—The resolution of the Foreign Affairs Committee, calling upon the President to intervene at once to stop the war in Cuba, passed the House shortly after 6 o'clock by a vote of 322 yeas to 19 nays.

THIS IS THE RESOLUTION: "Resolved, that the President is hereby authorized and directed to intervene at once to stop the war in Cuba, to the end and with the purpose of securing permanent peace and order there, and establishing by the free action of the people thereof a stable and independent government of their own in the island of Cuba; and the President is hereby authorized and empowered to use the land and naval forces of the United States to execute the purpose of this resolution."

SENATORS VOTE FOR INTERVENTION—BUT DELAY. The Senate Foreign Relations Committee has reported to the Senate resolutions for immediate armed intervention and establishment of a stable independent government.

The following is the majority resolution reported to the Senate by Senator Davis immediately upon the coming of the Senate at noon to-day: "Whereas, the present conditions which have existed for more than three years in the island of Cuba, so near our own borders, have shocked the moral sense of the people of the United States, and have been a disgrace to Christian civilization, culminating, as they have, in the destruction of a United States battleship with two hundred and sixty-six of its officers and crew, while on a friendly visit in the harbor of Havana, and cannot longer be endured, as has been set forth by the President of the United States in his message to Congress on April 11, 1898, upon which the action of Congress was invited. Therefore, resolved,

"First, that the people of the island of Cuba are of right ought to be free and independent. "Second, that it is the duty of the United States to demand, and the Government of the United States does hereby demand, that the Government of Spain at once relinquish its authority and government in the island of Cuba, and withdraw its land and naval forces from Cuba and Cuban waters. "Third, that the President of the United States be and he hereby is directed and empowered to use the entire land and naval forces of the United States and to call into the actual service of the United States the militia of the several States to such extent as may be necessary to carry these resolutions into effect."

The reading of the report occupied forty-seven minutes. Mr. Hoar demanded that the resolution lie over under the rules until tomorrow. The Vice-President reversed his decision on the point of order.

THE MINORITY REPORT. Mr. Foraker yielded to Mr. Turpie, who presented a minority report from the Foreign Relations Committee, as follows: "The undersigned members of the Committee on Foreign Relations cordially concur in the report made upon the Cuban resolutions, but we favor the immediate recognition of the Republic of Cuba, as organized in that island, as a free, independent and sovereign power among the nations of the world."

It was signed by Senators Turpie, Mills, Daniel and Foraker. It looks as if the conservative Senators would delay the Cuban resolutions by debate. Senator Davis said there was no disposition to unduly press the question, though it would be pressed as rapidly as possible. The speaking would, in itself, be sufficient to throw the case over until to-morrow.

The chair decided Senator Hoar's point of order well taken.

WAR THE ONLY TOPIC. Suggested Excitement Along With Feeling That Events Are on the Taps Which Will Make History.

Washington, April 13.—War between two powerful nations was the sole topic of discussion in the Senate to-day. Such excitement, suppressed though it was, such a feeling that the country was on the verge of events that would make history for all time to come; such eloquent and impassioned speeches, have not been known in the Senate since the exciting days when the country was convulsed by the greatest war of modern times.

Notwithstanding the crowd in the galleries, the great semi-circular chamber was almost as silent as if it were deserted. Conversation was conducted in low whispers, all seeming to feel as if from the very air they breathed that events historic and momentous were about to occur.

A full quarter of an hour before the Senate was to convene, Mr. Davis, chairman of the Foreign Relations Committee, entered the chamber and quietly went to his seat in the center of the Republican side. He carefully placed on his desk a bulky package, which all knew to be the fatal resolution and report from his committee upon which peace or war might hinge.

The chamber filled rapidly, and when the Vice-President's gavel fell nearly every Senator was at his desk. Scarcely five minutes had elapsed after the session convened before the Vice-President recognized Mr. Davis. An instant hush fell over the chamber. Mr. Davis presented to the Senate the resolution and report from his committee, and requested that they be read. The resolution was as given above.

Two Remarkable Speeches. Following the presentation of the report and after Mr. Hoar (Massachusetts) had insisted that consideration of the resolution go over until to-morrow on a point of order, came two of the most remarkable speeches yet delivered on the Cuban question. Mr. Foraker (Ohio) and Mr. Lodge (Massachusetts), both brilliant and impressive orators, presented different phases of the Cuban situation. Mr. Foraker advocated the direct recognition of the independence of the Cuban republic, and with an eloquence and vehemence seldom heard in the Senate, splendidly maintained his position. WAR CANNOT BE AVOIDED.

War between the United States and Spain can now be averted only by the immediate and complete surrender of Spain to all claims upon Cuba.

SPANIARDS BOUND TO DEFEND THEIR RIGHTS

Doctrines of McKinley's Message Cannot Be Accepted.

INTERVENTION IN CUBA NOT TOLERABLE.

Consciousness of Its Rights, and the Resolution to Maintain Them, Will Inspire the Nation, as They Inspire the Government, to Direct and Defend the Sacred Interests at Stake—Gloomy Feeling at Madrid Last Evening—More Talk of Mediation.

A WARLIKE RESPONSE FROM SPAIN.

The Spanish Government has issued an official note saying "The doctrines contained in the message are incompatible with the sovereignty and rights of the nation, and are an interference in the international affairs of this country."

The official note also says: "A firm consciousness of its rights, united with the resolution to maintain them, will inspire the nation, as they inspire the Government, with the serenely necessary in this difficult moment to direct successfully and defend energetically the sacred interests which are the patrimony of the Spanish race."

GLOOM AT MADRID.

The Very Worst Impression Prevails at the Spanish Capital—Ministers Are Mute.

Madrid, April 13.—The very worst impression prevails this evening. Again the Bourse has declined. Ministers say that there is no news.

Advice received from Cartagena confirm the report that the United States Consul and the United States Vice-Consul at that port, both of whom are natives of Spain, have resigned.

A report is current that Cardinal Rampolla, the Papal Secretary of State, telegraphed the Madrid Government to-day an assurance that peace between Spain and the United States will not be disturbed.

DETERMINED TO RESIST.

Ministers of War and Public Works Express the Government's Intention to Resist Attacks on Spanish Sovereignty.

London, April 13.—The Madrid correspondent of The Daily Mail, telegraphing at 5 o'clock this evening, says: "Lieut-General Cortes, Minister of War, and Count Xiquena, Minister of Public Works, both told me in a conversation this afternoon that the Government was finally resolved to resist every attack, direct or indirect, on the sovereignty of Spain in Cuba. They said, also, that they were sure this line of conduct on the part of Spain would certainly be supported by the European powers, more especially because the negotiations were based on an acknowledgment of Spanish sovereignty in Cuba."

They told me that the conduct of Spain would be adjusted to that of the United States, and that, in face of the fact of the continuance of naval and military preparations in the United States, Spain was fully justified in carrying on her preparations. Finally, the Ministers said to me: "Our resolution at the Cabinet Council was taken unanimously, and we shall maintain it with all the necessary energy."
