Sir Wilfrid Says the Government Has No Power Over the Water Power Leases—Sir Charles Jumps on Ratz—Budget Debate.

Ottawa, May 1.—(Special).—The Gov. would meet with the approval of all Canadians. It was to meet an unforeseen contingency.

Called Down Mr. Ratz. Sir Charles Tupper pointed out that in his budget speech Mr. Ratz of Middlesex had been badly informed in making his statement.

Young Bourassa Explains. Next the irrepressible and fresh young Mr. Bourassa, the leader of the young French-Canadians in Quebec, arose to explain his hitherto unexplained absence from the several sittings of the Public Accounts Committee.

Mr. Bourassa's Contentions. Mr. Bourassa took the position that he was a joint secretary for both the United States and Canada, and as such was not responsible to either Government.

Dismissing the Big Fire. Then came the fire for an hour. Sir Wilfrid referred to the awful disaster caused by the conflagration, and to the fact that the Government had decided that it was a case with which private charity, no matter how generous and speedy, could not adequately cope.

Sir Charles Addresses the Gov. After the message from the Governor-General, containing the estimates, had been referred to a committee of supply, by Mr. Fielding, Sir Charles Tupper said that he felt sure the action of the Government

NEW PEOPLE "WORKED" THE FRENCH ARE BEING

But the Ottawa Committee Has Discovered Their Game and No Further Frauds Can Be Perpetrated on It.

Another Body Recovered in Hull—Mansion House Fund Sends \$25,000 by Cable—Have About \$400,000 in Sight for Relief of Homeless.

Ottawa, May 1.—(Special).—The Relief Committee having charge of the destitute are having their work cut out for them. It is safe to say that they have found a great deal during the past few days. Everything was confusion on Saturday, and things were little better Sunday and Monday.

Working Force at Work. To-day, perhaps, a newly-launched ship, the compass sort itself out straight, and find their working force. Anyway, the destitute are now concentrated at the Drill Hall and at the Exhibition Grounds, and the energies of the relieving forces are less divided.

Imposters Everywhere. There is another feature that should not be overlooked. While the kindness of heart and the disinterested work of those who have voluntarily undertaken to distribute food and clothing to the unfortunate is recognized, it is a well-known fact that the Relief Committee is being imposed upon by people who have not been within miles of the fire, and who do not require any share of this relief.

Servant Girls Among Them. Among those who have been recognized as imposing on the unsuspecting committee are servant girls, who have taken their places of employment in order to avoid the housecleaning now in progress in so many homes, and are going from one place of relief to another, having a picnic at the public expense.

Discretion Is No Name for It. People have been known to return two or three times and take food from the distributing center, while others who are really in need have been sent away without receiving any. There has no doubt, been a great deal of heroism done by the different members of the Relief Committee in attending to the immediate necessities of some homeless and starving people.

An Idea of the Work. An idea of the daily work of the Relief Committee may be gained from the fact that yesterday morning at the central distributing point at High Street, there were given out 1200 loaves of bread, 600 barrels of pork, 4 bushels of beans, 5 cases of canned goods, 1 barrel of rice, 2 barrels of sugar, 1 barrel of flour, 100 lbs. of tea, 100 lbs. of coffee, 100 lbs. of butter, 100 lbs. of lard, 100
