IN MEMORY OF VICTORIA.

Women Will Wear Violets on Anniversary of Late Queen's Death. The Women's Canadian Historical Society held their regular meeting yesterday in the hall of the Women's Art As-Sociation, Confederation Life Building;
President Mrs. Forsythe Grant in the chair. A motion, introduced by Mrs. R.
E. A. Land, secretary of the Daughters of the Empire, was adopted. It was, that all women should wear violets on Jan. 22, the anniversary of Queen Victoria's death, such being the King's desire.

A resolution was adopted calling a conference of the officers of all the women's societies to confer on the project of erecting a woman's building as a memorial to the late Queen.

Miss Hill, who is shortly to deliver a course of lectures on "European Travel," will give the first of the course on Jan. 17 in the Conservatory of Music. The proceeds will be divided among the Infants' Home, Nursing At-Home Mission and, the fund for the memorial hall, to be erected by the ladies of Toronto.

48 They Rever Knew Failure.—Careful observation of the effects of Parmelee's Vegetable Pills has shown that they act immediately on the diseased organs of the system and stimulate them to healthy action. There may be cases in which the disease has been-long seated and does not casely yield to medicine, but even in such cases these Pills have been known to bring relief when all other so-called remedies have failed. These assertions can be substantiated by many who have used the Pills, and medical men speak highly of their qualities.
