is based on the just principle of heaven and earth. (5) Knowledge shall be sought thruout the world. Thus was the feudal system swept away. Business morality had been raised by many of the "Samurals" en-gaging in it. In 1890 the first diet was

Firmly Established. "We have now," said the speaker, "had 20 years of constitutional government, and I think I may say it is firmly established in Japan. But for it we would not have been able to carry on two wars that we have had since so vigorously as we did. "We are still making many experiments and trials," he continued.

know there are problems we have not University of Kyoto, in opening his address on "The Newer Japan," in Convocation Hall, yesterday afternoon. "We ought to understand each other. We would be better friends." He then outlined the educational system of Japan. In the six years' course of the primary schools (entered at the age of six), tuition was free. The actual attendance was over 97 per cent. of those supposed to attend. There was sogregation of the sexes in secondary education. Then there were special colleges for those intending to go on to the university and for those taking technical training. A boy was the university.

In the 6th and 7th centuries (A.D) The University of Tokio had been established 13 years, and the Universthere had taken place the introduction of Chinese literature, along with ity of Kioto 10 years. Two more universities were building. which came a change in governmental nstitutions and the introduction of As a rule, after girls sinished with the secondary schools, they staved at home and learned household matters, "Emphasis should be laid on the facts," said the baron, "that thru all these changes we preserved unchangor studied with private tutors. Only recently had the people become alive o the importance of feminine educanationality, which consists in rever-

ence for the imperial house and love of country. These are identical." Before the Chinese war there were three times the number of boys as of The relations between the imperial iouse and the people were the result girls in the primary schools; now they were nearly equal. University fees were qul; 25 yen (\$17.50) a year. Great stress was laid on direct moral inof the unparableled line of unbroken descent of the former. Even Buddhism would not have succeeded in Japan if

t had not accommodated itself to struction. "Reverence for ancestors," said the In 1774 the first book on anatomy, baron, "works both ways. We must the occidental school, appeared in both be worthy of our ancestors and Japan, translated from the Dutch by must prove ourselves worthy ancestors of our descendants." Fifteen years after the appearance of Commander Perry, in 1852, the Sho-

At present Japan was approaching another critical period. The social sys-tem was built on families and not on individuals, and the young were beginning to chafe under the restraints r posed by this. He expressed the icpe and trust that as the national characteristics had been preserved in the past, so they night continue to be ir, the future, and that a solution their prob ems might be found in harand military systems are altered, so their problems in that there be no discontent. CRAND NEWS

WHAT DODD'S KIDNEY PILLS DID FOR HIRAM BROWN.

Cured His Aches and Pains and Gave Him Restful Slumber-Known the Old Folks' Friend.

EAST MAPLETON, Cumberland Co., N.S., March 18.—(Special.)—Though well past the allotted span of life Mr. Hiram Brown of this place is still one of the grandest sights in life, a hale and hearty old gentleman. And like many another Canadian veteran he gives Dodd's Kidney Pills the credit for his abundant health. "I am seventy-two years of age,"
Mr. Brown said in an interview, "and
I want to say that Dodd's Kidney
Pills cured me of Gravel and Kidney
Trouble. I was troubled with Backache, Headache and Dizziness, Cramps
in the Muscles and Stiffness of the

Joints. My sleep was broken and at times my limbs would swell. derful medicine." The aged man or woman who has

healthy Kidneys can afford to laugh at the ills of life. For healthy Kid-neys keep the blood pure and ensure good restful sleep. Dodd's Kidneys Pills always make healthy Kidneys. That is why they are known as the Old Folks' Best Friend.

CONGRESS SAT THIRTY HOURS And the End is Not Yet-Cannon's Power in Balance.

WASHINGTON, March 18. - At twelve minutes before five o'clock tonight the house of representatives adjourned until noon to-morrow after 30 hours spent in one of the greatest parliamentary struggles in its his-tory. The result is a drawn battle. When the final rollcall came, 164 Republicans voted to postpone further action on the Norris amendment, reorganizing the rules committee until to-morrow, and 150 Democrats and in-With the regular Republicans lowing of Norris of Nebraska, who left him and sided with the majority for a postponement. The result, they said, conveyed no significance and had deserted the insurgent cause. The particular obstruction in pathway of agreement between regulars and the insurgents is the proed elimination of the speaker.

mitted no wrong, should not be discredited. Some friends of the speaker contend that if the house overrules him to-morrow, he would "welcome" relief from the committee. The speaker himself is silent .-ATLANTIC CITY or AND RETURN
