

I am One of the Wonders of the World

I am the REIN-DRIVE TRACTOR.

I have the strength of ten draught Horses.

My secret has been shrouded in mystery for centuries, but man at last has found it out.

And now I work for him.

Though I am stronger than the Horse, I am none the less his friend. I am tireless. With ease I drag three Plows from Morn till Night, through Sod or Stubble.

Without effort I pull Binders, Harrows and Waggon up grades and through soft spots that lurk in lowlands.

Though I have the strength of a herd of Horses, I am guided as easily as a quiet team. I turn right or left, go backward or forward at the touch of your reins. I am the Real Iron Horse. When I am working, feed me. When I am idle I require neither food nor shelter.

No disease of foot or mouth can injure me. I suffer not from heat or cold. I wear no harness, at night turn off my spark of life and I will await your coming, however long.

When you are ready to work I am at your service, to do as you direct, without fear of whip or utterance.

When the day's work is finished for you, go rest yourself—stop my heart-beats for the time, or send another man to guide me, for I am never tired.

As you are plowing set my right foot in the furrow, When I reach the end turn me as you would your team.

I turn quicker than your team. I turn on six feet of land.

You and I can do the work of many men and horses.

We can do it well and with less effort.

I have a strong right arm. It is a pulley. It is at your service to pump Water, grind Feed or thrash Grain.

You will find me a strong and willing servant for many purposes.

You and I will tackle one job after another and accomplish them without disagreement.

We will make life worth living.

We will make money for ourselves.

We will grow more and more food to feed this hungry world.

We will make a reputation for service to our people as great as our wonderful Army in France, for I, too, am a Canadian, and ready to serve.

I am Tireless, Efficient and Economical.

I am the REIN-DRIVE TRACTOR.

I am the Real Iron Horse.
