

FOR WHEELING MEN AND FOR WHEELING WOMEN.

The final seal of approval has been set on the bicycle... The possession of a wheel would seem to be a necessary qualification in the Law Department at the City Hall.

There will be fewer race meets under club auspices in Toronto this season... The young man who scalps sporting news for the Evening Star waxes needlessly verbose over a report that the Wanderers intend to leave the T.A.C.

The efforts of a number of Wanderers who desired to have liquor in the club were rebuffed... The efforts of a number of Wanderers who desired to have liquor in the club were rebuffed.

It is stated in England that Mr. Harry du Cros... The Dunlop Cycle Tyre Company has effected the purchase of the Clinchier tyre patents for the continent of Europe.

Bicycle schools are in vogue... The efforts of a number of Wanderers who desired to have liquor in the club were rebuffed.

canopy for bicycles, of which she writes in her specifications forwarded to the patent office at Washington... The canopy is made of a light material and is supported by a central pole.

The Army Wheel... Gen. Boulanger's son-in-law, writing under his nom de guerre of "Danrit," contributes a striking article on military cycling in the Revue Moderne.

The dealer in bicycle sundries calls it a "calf developer"... The calf developer is a device used to strengthen the calf muscles of the rider.

A Bicycle Fire Engine... A bicycle fire engine was recently exhibited at the Toronto Exhibition... It is a small, portable engine that can be used for fire-fighting.

One of the most ingenious schemes yet devised for the bicycle track in the city for bicyclists is in the form of a large hall and rising by a small degree... The track is designed to be used for both indoor and outdoor cycling.

By this system a track of great length is obtained... The track is designed to be used for both indoor and outdoor cycling.

With a possible view to the introduction of the bicycle in the Orient... The bicycle is a popular mode of transport in many parts of the world.

Another freak was accomplished for a small distance... The rider was able to perform a feat that had never been done before.

CHARRÉ BY HULL DOGS... A Steer Chase in which the bicyclist and his wheel came out first best... The chase was a thrilling event that attracted a large crowd.

AN ENGLISH BICYCLE... The English bicycle is a popular model... It is known for its durability and performance.

Two or three French models will serve to illustrate the general bicycle spirit... The French models are known for their speed and agility.
