The Epworth League of the Carleton street Methodist church had a splendid session last night. Miss Myrtle Fox, the vice-president, occupied the chair and Miss Ethel Brindle presided at the piano. Frank Merrill, president of the United League of this city, gave an inspiring address. The pastor, Rev. E. E. Styles, gave an address in which he compared the temperance situation in England with that in Canada, giving interesting incidents from his own experience in work there. His description of the efforts of Lloyd George, first as chancellor of the exchequer and more recently as premier, to curb the liquor traffic in England, was particularly interesting. Mrs. Seymour and Miss Brindle contributed readings.

**BETTER THAN HARD COAL**

Soft coal so free from soot that it does not make whippers on stove covers or pipe and does not mat or cake when burning, is far better than Hard Coal for general household use. Quicker to light, takes less to make a fire, cheaper in price and can also be used for open fires and small heating stoves. Such a coal is Broad Cove soft coal. The main thing is to insist on getting the genuine article. No other soft coal burns just like Broad Cove. You will know it by the above characteristics.

## CREDITORS FORCE RECEIVERSHIP

Dressmakers Established by Lady Duff Gordon Owe \$175,000, Have \$75,000—Her \$200 a Week Unpaid.

Luelle, Ltd., dressmakers, of New York, with which the name of Lady Duff Gordon has been identified for some years, went into the hands of a receiver just after an involuntary petition in bankruptcy was filed in the United States District Court. This and a second petition asking for the appointment of a receiver were presented to Judge John C. Knox last Saturday afternoon. The second stated that the liabilities were estimated to be more than \$175,000, with assets of \$75,000. Judge Knox appointed James K. Cuddy and G. H. Tolman joint receivers, with a bond of \$20,000.

The petitioners were Harry Angelo, \$3,000; Fober & Hein, \$2,337; and Irving Pines, \$3,600. Shaine & Weinrib, 299 Broadway, was particularly interesting. His description of the business dropped from \$750,000 in 1920 to \$400,000 in 1921. There were indications, he said, of a revival during the current season. The business for March was about double that of the same month last year. There were 190 creditors, 150 of whom have claims of less than \$200.

Harry Bandler of Bandler, Haas & Collins, 3 Rector street, attorneys for Luelle, Ltd., denied that the embarrassment of the company had been caused by a large number of "frozen credits" among wealthy families, and said that general business conditions had caused it.

"It is due to the general business de-

pression in 1921 and also to the fact that the company was obliged to move to its new quarters at 19 East Fifty-fourth street during the year, which required the closing up of a considerable amount of its capital in the improvements which were made in the new quarters.

"The attitude of the creditors is friendly and it is expected that they will co-operate in the reorganization of the business. The order appointing the receivers gave them full authority to continue the business, and it will be continued without interruption. The spring opening of the company took place on March 9. Since that time orders have been received in such volume as to indicate the largest spring business in its history. Lady Duff Gordon has been and still is the largest stockholder."

### He Tells You They Will Build You Up

**A. McDonald Gives His Experience With Dodd's Kidney Pills.**

He tried them for Rheumatism, backache and other troubles, and now advises his friends to use Dodd's Kidney Pills.

Stillwater, Guysboro Co., N. S., March 22.—(Special)—"I believe that Dodd's Kidney Pills will build up a person that is run down from whatever cause."

So says Mr. A. McDonald, a well-known and respected resident here. And Mr. McDonald gives a reason.

"I suffered from kidney complaint for ten years," he states. "I was also troubled with rheumatism, cramps in the muscles, backache and fitful appetite. I had a bitter taste in my mouth in the mornings."

"Some months ago I decided to try Dodd's Kidney Pills. I found them beneficial and suited to my case. I am still using them."

Mr. McDonald's troubles were all symptoms of kidney trouble. Any medical work will tell you that. And any one who has used Dodd's Kidney Pills will tell you that Dodd's Kidney Pills are the best remedy for kidney trouble.

**Horrockses**  
Name on it

Once upon a time the "Ladies-Who-Love-Dainty-Underwear" called upon the "Fairies-Who-Make-Lovely-Cloth," and asked them to weave a perfect fabric which should contain all the perfections of the materials then in existence, and leave out all the defects.

So the "Fairies-Who-Make-Lovely-Cloth" took the lustre out of Silk, and combined it with the Sheerness of Nainsook, and then mixed in the firm, even texture of fine linen, and wrapped about it all the clinging freshness of soft lace, and named it "DIAPHANE" because they thought the name expressed the diaphanous, silky dream-cloth better than any other name. And then they put HORROCKSES' name on the selvage because that name had come to mean a super-quality in cotton fabrics.

And the "Ladies-Who-Love-Dainty-Underwear" were perfectly satisfied and have used it ever since to make their embroidered, fluttery lingerie, and blouses and negliges.

## Just One Application and the Hairs Vanish

(Modes of Today)

A harmless, yet very effective, treatment is here given for the quick removal of hairy growth. Mix enough powdered delatone and water to cover the undesirable hairs, apply paste and after 2 or 3 minutes remove, wash the skin and the hairs have vanished. One application usually is sufficient, but to be certain of results, buy the delatone in an original package. Mix fresh as wanted.
