QUINCY DEFT TO ST. PETERS
Manager Ford Challenges for Deciding Game on Thursday Evening.
There is a possibility that the fast St. Peter's and lively Quincy, Mass., team will meet in a fourth game here. The fans would certainly like to see such a contest. The possibility lies in a challenge issued herewith by Manager Ford of the visiting aggregation, as follows:
To the Sporting Editor of The Times:
Sir,—On behalf of the Quincy, Mass., baseball team, I desire to challenge the Peters and lively Quincy, Mass., team to be played on St. Peter's park tomorrow, Thursday evening. These clubs have met in three contests, each winning one by a close margin, and the other being tied. My players and myself are eager for a game that would decide the issue between the two teams. It will not be taken as boasting on my part, I am sure, when I say that each of these aggregations is a high class baseball organization. That was shown in the games already played. I hope the St. Peter's management will be able to accept the challenge. For our part I pronounce the best effort we can make to show the way to the green and white players who so ably represent your city. I would like also to convey to St. John baseball fans and the people in general my own and my players' appreciation of the good and my players' appreciation of the good reception given us and of courtesies extended.
Yours truly,
R. L. (LEFTY) FORD,
Manager Quincy B. B. Team.
It is hoped that St. Peter's management will be able to arrange this baseball treat for the followers of the game.

SUSPICIOUS OF NEW TURN AT CITY HALL
United Organizations Will Hold Meeting to Discuss the Situation.
It is expected a meeting of the United Organizations will be held this week to discuss the new turn of affairs at City Hall in respect to hydro.
A member of the executive of the United Organizations stated today that the action of the city council in recommending the engaging of another electrical expert was very much resented by the organization and the public in general. He stated that there was a feeling that no beneficial result would be obtained by the city and that such an action would cause delay and confusion, and would only result in causing the citizens to become wearied of the whole thing, which in the end would work out to the benefit of the opponents to the hydro project. Furthermore, he said, it would seem that an expenditure of \$5,000 was absolutely uncalled for, and a tidy remuneration for looking over a contract. There was a fear that the engaging of another expert was simply causing needless delay.

WORK AWAITS MEN WHO CALL
Positions for Skilled Workmen and for Laborers at the Employment Bureau Here.
Reports from the Employment Service of Canada office this morning show positions for first class carpenters, stone cutters, masons, bricklayers, woodsmen, mill hands and general laborers, open and not enough men to fill them. The openings for skilled tradesmen are reported hard to fill on account of the large amount of contracting work being done around town, keeping the trained men pretty busy, but there are between twenty-five and thirty positions for general laborers at the office has been unable to fill. This was said to be because the men on the list do not keep in touch with the office. There are 299 men on the list at the office.
There are also twenty-four unfilled positions for skilled men in carpentry, stone cutting, plastering and bricklaying. It is the opinion of those in charge of the office that these positions will probably be filled by the contractors with outside labor unless the local men get on the job soon.

TEN NOVICES TAKE THEIR VOWS
Another Impressive Ceremony This Morning in St. Peter's Church.
Today the feast of St. Alphonsus, founder of the Congregation of the Most Holy Redeemer, was celebrated in St. Peter's church, and was marked by one of the most impressive ceremonies ever held by the Order since the establishment of their Canadian branch. Following a solemn high mass, which was celebrated by Rev. Father Millett, C.S.S.R., rector of the Redemptorist church in Montreal, and who was assisted by Rev. Father Doyle, C.S.S.R., as deacon, and Rev. Father McCann, C.S.S.R., as sub-deacon, ten choir novices took the solemn vows of poverty, chastity and obedience, and were received into the Congregation; one lay brother took perpetual vows, and one temporary vows.
The novices who took the vows were: James Healy of Sturges, Sask.; Oscar Diets of Sedro-Woolley, Wash.; Edward Doyle of Montreal, Austin McGuire of St. John, Arthur Kelly of Brantford, Thomas Mangan of Lindsay, Clayton Kramer of Winnipeg, James Graman of St. John, Wallace Malone of Regina, and Patrick White of Quebec. Brother Paul took perpetual vows, and Brother Morris temporary vows.
Rev. Arthur Coughlan, C.S.S.R., provincial of the Canadian branch, officiated in the ceremony and was assisted in the ceremony by Rev. Father Millett, C.S.S.R., and Rev. Wm. Hogan, C.S.S.R., rector of St. Peter's. After the novices had individually taken the vows they received their biretta.
In a masterful sermon Rev. Father Provincial gave a general explanation of the ceremony and pointed out that it was even greater than that of yesterday, because those participating today became members of the Congregation, while yesterday the candidates had been admitted into the novitiate. He said that in taking the vows the young men were giving their lives to God and giving up all home and worldly ties. With reference to the vow of poverty, he told how the Lord had suffered poverty from the manger to the grave, and that these young men were following in His footsteps, giving up the pleasures and riches of this life and willing to suffer all kinds of poverty. He also dwelt on the vow of chastity, pointing out how they must give up all thoughts of marriage and dedicate their lives to God. The vow of obedience, he said, was the hardest, as they must give up their will in obedience to their superiors. He quoted a passage from scripture how the Saviour in the Garden of Gethsemane cried out to His Father if it was His will to let this chalice pass, and how He had accepted it, thus giving the greatest possible example of obedience. In conclusion, he spoke of religious vocations and congratulated the parents of the young men on their entry into the Order.
