**CONTRACTS AWARDED FOR RECONSTRUCTION OF ST. DAVID'S CHURCH**

The contracts for the reconstruction of St. David's Presbyterian church in Sydney street have been awarded and the work will be undertaken immediately. The new building will have a granite front with freestone trimmings, and will present a very handsome appearance. The auditorium will be on the ground floor, and the Sunday school rooms, instead of being in the basement of the church, as before, will be in an addition in the rear. For the present the Sunday school building will be only partially completed. The contract for the masonry, steel construction, painting and glazing has been awarded to J. Medley Belyea, and J. H. Doody will do the plumbing.
