Territorial Acquisitions Obtained by War Not to be Allowed.

By LUDWELL DENNY (United Press Staff Correspondent) WASHINGTON, April 21—Projects to outlaw wars of conquest in the Western Hemisphere, and to establish a Pan-American Court, have been drafted here by the American Institute of International Law and transmitted through the Pan-American Union to the various American republics for their consideration.

The purpose is to establish as the WASHINGTON , April 21-Propublics for their consideration.

The purpose is to establish as "a fundamental concept of international law," that "in the future territorial asquisitions obtained by means of war or under the menace of war or in the

riment of any American republic, shall not be lawful."

questions.

Complete autonomy on the debated question of immigration laws and policies is guaranteed to each country in a short-draft project. It reads:

"Every republic may determine, taking into consideration its local conditions, what persons or class of persons tions, what persons or class of persons it shall permit to enter its territory, and to whom it may eventually and at its discretion concede nationally."

of healthy bodies through the relief of constipation. This tremendous popularity has been built on confidence. The formula originated and used so successfully by Dr. Caldwell in his own practice has never

been changed. Unlike so many laxatives it has no bitter or nauseous taste. It is a compound of plant drugs proven to be beneficial to the human system without creating habits or injuring the system with mercurials or narcotics.

Dr. Caldwell's Laxative Syrup Pepsin is particularly recommended to mothers as a pleasant-tasting and effective laxative for children. You can safeguard their health by checking colds and fevers through the use of this great family medicine.
