Owls Win Series.

The Owls have won the third series
in the Y. M. C. I. senior league and they,
with the Hawks and the Sparrows, win-
ners of the first and second series, will
roll off later for the league championship
of the season. The Owls and Sparrows
met last night in an eagerly looked for
match and the hostlers captured three of
the four points. This was the Owls'
concluding game of the series and they
have finished with twenty-six points
won and two lost. There are several
games in the series yet to be played but
they cannot affect the leadership.In the match last night the Owls went
twice over the 500 mark. Arch Mc-
Donald was the star, rolling 129, 104 and
111, a total of 344 for three strings. This
is the record so far. Harry McKean
had held it at 387. Maurice Garvin's 95
without strike or spare was another
good exhibition. There was a lot of in-
terest in the match and a good deal of
excitement and rooting. The scores

BASEBALL

Boost for Shockers.

Shreveport, La., Mar. 25—Manager
Fielder Jones today paid a very high
compliment to Urban Shocker, pitcher,
obtained in the trade from the Yankees,
and a former member Toronto club.
The leader of the Browns stated that
Shocker was one of the best natural ball
players he has seen for a long time, and
that if he did not prove to be a star
batter it would be not only a surprise
but a disappointment.Shocker is twenty-two pounds lighter
this spring than he was at any time in
the playing season of 1917. The stock-
ily built right-hander states that he
needs to take off only a few more pounds
to be in perfect shape, and he added that
he is confident of having a successful
year.Shocker is working hard every day in
hopes of getting into shape and proving
to Jones that he will be a valuable man
for the team. Seemingly conditions were
not as pleasant in New York last sea-
son as they might have been for Shock-
er. The pitcher was married six weeks
ago, and he says that now that he has a
wife to look out for he will hustle hard-
er than ever.

Ganzel Gets Onslow.

Manager John Ganzel, of the Kansas
City team, who has the same kind of a
working agreement with the New York
Giants this season that he had five years
ago while with Rochester, has secured
Catcher Jack Onslow, the former Bison
from the New York team.Ganzel also expects to get Pitchers
George Smith and "Red" Canale and
Infielder Schepner from the Giants.
These players were with Rochester last
year.

Cleveland Club Hit Hard.

James C. Dunn, president of the Cleve-
land American League club, evidently is
finding running a big league club an ex-
pensive luxury these days. Players val-
ued at \$25,000 have been taken into the
service of Uncle Sam.Louis Guisto cost Dunn \$10,000. For
Yanzer Smith, he paid \$4,000 to Wash-
ington last year only to lose him a few
months later. Although Ed Klepper came
to Cleveland in the trade for Joe Jack-
son, it is not thought \$5,000 would have
bought him; in fact, Dunn could not
get as good a pitcher for that sum.

Eight American young men from the

aviation camp in southern Italy partici-

pated, and were enthusiastically cheered.

The English won the first Royal prize
