LACK OF ORGANIZATION
AND GOOD DIRECTION

Washington, Nov. 1.—The report on the aircraft investigation, conducted during the last five months by Charles E. Hughes and Attorney-General Gregory, was placed before President Wilson yesterday. It declares that delays and waste of the production programme were due chiefly to "the defective organization of the work of aircraft production and the serious lack of competent direction of that work by the responsible officers of the signal corps."

A Pathetic Case.

A pathetic story is told by a local physician who was called to a home in the city by neighbors who had heard that the whole family was sick with influenza. A little four-year-old boy was sitting on the steps and as the doctor entered, he asked "Will you please bring my daddy back?" Investigation in the house showed that the little chap was

the only one of the family who had escaped the disease; his father had been lying dead in the home for three days, and the mother, brother and sisters were in bed seriously ill. Arrangements have been made to care for the family.

NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent announcement published in the Press by the Military Service Branch, Department of Justice, regarding extensions to be granted to men EXEMPTED AS FARMERS.

It is pointed out that this DOES NOT IN ANY WAY AFFECT MEN WHO HAVE BEEN ORDERED BY THE REGISTRAR TO REPORT TO Depot Battalions and who have thereafter received leave of absence from the Military Authorities.

Once a man has been ordered to report for duty by the Registrar he leaves the jurisdiction of the Registrar and comes under that of the Department of Militia and Defence, and is to be considered as a soldier. This applies to men of the 20 to 22 Class who have been ordered to report by the Registrar in virtue of the cancellation of exemptions by Order-in-Council of the 20th April last, as well as to those ordered to report in the usual way on refusal of claim for exemption, or on cancellation of exemption granted.

All men, accordingly, who have been ordered to report, and are therefore SOLDIERS, and who have subsequently been granted harvest leave by the military authorities, MUST, NOTWITHSTANDING THE NOTICE ABOVE REFERRED TO, REPORT ON THE EXPIRATION OF THAT LEAVE, unless they are notified to the contrary by their Commanding Officer or by general notice published by the Department of Militia and Defence.

Killed at Sackville.

Captain Thomas R. Anderson, a retired mariner, was instantly killed by being struck by a shunting engine in Sackville last evening. Captain Anderson, who was seventy-eight years of age, had served as an alderman in Sackville

almost continuously since the town was incorporated. He is survived by his wife and two small children.

Do Not Worry If You
Cannot Get Sugar

You do not have to forego sweet things because of the present shortage of sugar. Corn Syrup is available, and for years has been available, as a perfect alternative for sugar for cooking, in puddings and preserves, in the making of desserts, and on cereals.

People didn't recognize this fact while sugar was cheap and plentiful. Now they are hailing the discovery with delighted surprise.

Buy Crown Brand or Lily White Corn Syrup from your grocer. They are wholesome, delicious and nourishing—true products of the Corn—and, you will soon find, most economical, too.

CROWN BRAND
AND
LILY WHITE
CORN SYRUP

And the use of Corn Syrup instead of Sugar is a War-Service to-day! The carrying of raw sugar on the ocean has meant a huge loss of life and tonnage. It takes ships that are sorely needed to carry troops and supplies.

Corn is grown on this continent and the syrup is manufactured right here in Canada.

Write to the Canada Food Board, Ottawa, for a booklet of recipes in which Corn Syrup takes the place of Sugar. The authorities heartily approve of this movement to conserve Sugar.
