

The course of instruction covers three years and consists of lectures, clinics and practical work in the Dental Infirmary and Laboratory. All candidates for admission except those who are graduates in arts or medicine, of a British or Canadian University, must pass the matriculation examination of the Dental Association of the Province of Quebec, before they can register as students of this college. Students who intend to practise in the Province of Quebec, must sign indentures with a Licentiate of Dental Surgery in active practice in the province at the beginning of their course. The Dental Act requires three full years as an indentured student after the matriculation has been passed.

The student is required to provide himself with necessary instruments and appliances, a list of which may be obtained from the Superintendent, Dr Andres.

The University of Bishop's College will confer the degree of Doctor of Dental Surgery on all students who have fulfilled the following requirements:

- 1st. Must be 21 years of age.
- 2nd. Must be of good moral character.
- 3rd. Must have passed the matriculation and have completed the full term of three years.
- 4th. Must have passed all examinations and paid all college and University fees.

FEES.—Matriculation, \$10.00. Registration, (per annum) \$5.00. Tuition, (per annum.) \$100.00. Diploma, \$25.00.
