Which have been extensively used in the New England States, the past eight years, and for which they claim the undermentioned advantages over those in ordinary use, the proof of which imay be seen in their constantly increasing business during a residence in House increasing business. 1st. That from the perfect construction of the enses, they assist and preserve the sight, rendering frequent changes unnecessary.

a. 2d. That they confer a brilliney and distinct ness of vision, with an a accept of case and com-fort not bitherto enjoyed by spectacle wearers. 3d. That the material from which the Lenses are ground is manufactured specially for optio-purposes, and is pure hard and britiant and not liable to become scratched.

4th. That the frames is which they are set whether gold, silver or steel, are of the fluest quality and finish, and guaranteed perfect in every not to grant 2.1 censes for the sale of Arrespiet. They are the only spectacles THAT

PRESERVE AS WELL AS ASSIST THE SIGHT. And are cheapest, because the BENT, always lasting many years without change being necessary e.g. One of the Furn will visit St Amireas, at the Store of their Agent, every four months, for the purpose of alting those hiving difficult sights when any spectacles sold by their Agent during the interval will be exchanged free of charge if not properly filted.
