SPIRIT OF THE TIMES.

THE Y. M. C. A.'S ROSE ONE.

It was a great game on the Barrack green yesterday afternoon, despite the sticks before and the Y. M. C. A. are justly proud of their victory over the Union. There is good material in both the clubs, but the Y. M. C. A. boys convincingly showed that they had been in the game from a short time and they will then be able to put a pretty hot game on the sock. Yesterday's game was witnessed by a large number of spectators who in their excitement seemed to care as little for the hand knocks of the players as they did for the driving ball, which as usual began soon after the game.

The players played with a manly spirit, and each particular turn of the game, which was of great excitement, showing that the Y. M. C. A. boys are in the game from a short time and they will then be able to put a pretty hot game on the sock. Yesterday's game was witnessed by a large number of spectators who in their excitement seemed to care as little for the hand knocks of the players as they did for the driving ball, which as usual began soon after the game.

Among those who did good work were William Thompson, James Thompson, and Mr. Andrew for the Y. M. C. A. and for the Union. The Y. M. C. A. boys were victorious, but the Union boys were not without their share of good work.

The Toronto Lacrosse club is booming things just now. During the past two weeks 154 new members have been elected.
