GRNTLEMEN: Doub less you are aware of Dean Swift's ability as a trotter, Dean started on his campaign here last season, after serving upwards of 150 mares, and competed against horses that had been fitted and handled all summer for the fusieness. With one stallion in particular, Sandy Merris, Dean Swift made a hard struggle for first place in the Chatham Races, after which he beat him in New Glasgow in three straight heats. He also beat Messenger Boy's record; Island Chief, Dean Swift's son, being the only Stallion that beat his, record in the Lower Provinces in 1884.
