DECISION GIVEN TO JACK TWIN

Elmira, N. Y., May 1.—It took Jack "Twin" Sullivan several minutes last night to realize that Jack Curphey the English Army champion, was a real fighter but in the fifth round when the fact did dawn on him, he woke up with his oldtime speed and generalship and carried the fight to Curphey winning by a shade.

For the first three rounds Curphey had everything his own way and repeatedly jabbed Sullivan's face. His blows lacked weight, however. In the fifth Curphey landed on Sullivan's nose with a left jab and blood flowed freely. Suddenly Sullivan shot a right to Curphey's eye, completely closing it. During the next five rounds Sullivan showed his oldtime craftiness and repeatedly landed on Curphey's face. The blows made the Englishman groggy but he was game to the finish and showed splendid speed.

In the ninth and tenth Sullivan reached Curphey's bad eye many times, and put several over on his opponent's kidneys. The fight went to Sullivan, but Curphey succeeded in making the old batter work hard.

MARITIME BASEBALL LEAGUE

A meeting of the representatives of the teams who propose to form the Maritime Baseball league was held Saturday afternoon and evening in the Dufferin Hotel. There were present: L. B. Reid and William McMillan, of Moncton; John Russell, Jr., and H. J. Fleming, of St. John; D. H. McDonald, representative of Halifax, and Joe Page the promoter. There was no representative from Pictou county, as word was received from New Glasgow that the representative could not attend. Matters pertaining to the formation of the league were discussed for some hours, and the meeting adjourned to meet again today. The negotiations are still pending, and it is possible that Messrs. McMillan may go to New Glasgow tomorrow to meet the Pictou County representative, and something more definite regarding the league will be made known tonight or tomorrow.

From what could be learned from the meeting held Saturday the prospects are bright for a league, and there seems no doubt that all arrangements will be decided on within a day or two.

RECORD FOR THE HIGH JUMP

Berkeley, Calif., May 2.—Edward Beeson of the San Francisco Olympic Club, broke the world's record in the high jump at the Pacific coast meeting here today, clearing the bar at six feet seven inches, five-eighths of an inch higher than the previous mark, made by George Horine.

THIS DATE IN RING ANNALS

1899—Frank Erne defeated Kid Lavigne in 20 rounds at Buffalo. By his victory the former Buffalo bowling alley "pin boy" became lightweight champion of the world. They had fought 20 rounds to a draw at Coney Island and the previous September, and the little French-Canadian had all he could do on that occasion to retain his title. The second bout went the full 20 rounds, but Lavigne was only a shadow of his former self, and the Swiss lad had the best of it nearly all the time. The following year Erne made a big mistake in agreeing to make 128 pounds for a battle with Terry McGovern. The Brooklyn lad easily knocked out Erne, who had been so weakened by strenuous training and bating that he could hardly stand. Erne never fully recovered his strength and in May, 1902, lost the lightweight title to Joe Gans at Port Erie.

1911—Frankie Burns defeated Young Wagner in 10 rounds at Brooklyn.

Milton Stock

Milton Stock has been looked over every spring by McGraw for several years, only to be sent back for more seasoning. This year the chances are that he will stick. Schaffer's description has left a hole in the infield that may be hard to fill, as none of the recruits but Stock seem capable of it. Snodgrass or Grant of the veterans are also possibilities.

Stock has a good year with Mobile last season, batting .281 and stealing 43 bases.

THE FIRST VICTORY FOR FAIRVILLE

On Saturday last Fairville Football Club entertained St. John at the Presmen's Park in a return friendly game, matters not being settled in the league to allow the schedule to be carried on. A fairly large crowd witnessed the county team inflict a two to one defeat on the "Robins." No one present ever imagined such a feat possible, but Fairville rose to the occasion and astounded their faithful supporters who have stuck by them through all their losing streak. Fairville F. C. have gained the reputation of being good losers, so no one can begrudge them this their first victory. As St. John had their strongest eleven the victory is all the more pronounced and Fairville has just reason to be proud of themselves. Beware, Caledonians, the worst is yet to come. To the game. The weather was ideal from a football point of view. Fairville won the toss and soon made a raid on the St. John goal. Only a brilliant clearance by Peebles prevented a score. After fifteen minutes' strenuous play Pink opened the scoring for Fairville, a high shot from the center's foot giving the goal-keeper no chance. St. John made great efforts to equalize, but were headed clear. Jublin for Fairville was putting up a splendid game and G. Spearman has not been so ineffective for a long time. He absolutely bottled up the latter. A break away by the county forwards gave Parker a chance and with an adroit movement he slipped the ball home. This round St. John but score they could not. The game ended two to one in favor of Fairville. It looks as if Saturday's game that Fairville have still a chance for the Brindle cup as they were thought by many would-be critics to be absolutely out of the running.

Bob Veach

Veach, along with Cobb and Crawford, will again comprise the Detroit outfield. This gives Jennings one of the best hitting and base running set of fielders in the American League. In 1912 Veach started out like a wonder, batting .342 but last season he suffered quite a slump, hitting .263 but a great many of his hits were for extra bases.

Freddie Walsh got \$4427 for his victory over Leachie Cross at Vernon, Calif. the other night. The latter received \$2850.

This year there are many foreign entries, and whether the palm will return to America or remain abroad is a question much discussed throughout motordom.
