WOODWARD'S IMPROVED CARBONIZER —Look to your own interests, and try Woodward's IMPROVED CARBONIZER, which is warranted to increase the light, decrease the smoke and smell, and save 33 per cent. of the cost to the consumer. Read the following, which have been received among other certificates from those who have tried it:— MONTREAL, August 31, 1867.

My dear Sir,—I have much pleasure in certifying that I consider your Patent Gas Carbonizer a most valuable introduction, especially when the quality of the gas, and the high price charged for it, is considered. I have one now in my house put up by you, and find I have a much better and brighter light totally free from smoke or smell of gas since its introduction. In addition to this I burn much less gas, as I use one-foot burners instead of three feet, which I formerly used, and have more light now than I had with the large burners without the Carbonizer.—Very truly yours, To Mr. R. Alsop. J. BELL SMITH, Artist.

MONTREAL, 4th September, 1867. Sir,—I take pleasure in certifying that I have one of Woodward's Patent Carbonizers in use in my house for some time, and am perfectly satisfied that it is a valuable improvement. I believe that I am saving a large amount of gas, as I am using one-foot burners instead of three feet, which I used without the carbonizer, and the light is fully satisfactory. To R. Alsop, Esq. A. J. PELL, 345 Notre Dame Street.

MONTREAL, 9th Sept., 1867. Dear Sir,—I have much pleasure in adding my testimony to the usefulness of Woodward's Carbonizer, both as regards increased illuminating power and also diminished consumption. Having now had one on my premises for some time, which is working with undiminished vigour, I very confidently recommend it as being able to do all you promised for it. I am, &c. D. H. FRIGUSON, 100 McGill Street. To R. Alsop, Esq.

MONTREAL, 9th Sept., 1867. Dear Sir,—In answer to your enquiry, it gives me much pleasure to say that Woodward's Patent Carbonizer, which you placed in my billiard-room in Victoria Square, has so far given entire satisfaction. I have no doubt of its economy, as I am now using two feet burners, and have fully as good light as I had with four feet burners without it. I confidently recommend it to all who wish to economise in using gas, believing it will do fully as much as you promise.—Very truly yours, HENRY McVITTIE.

MONTREAL, 5th Nov., 1867. Dear Sir,—In answer to your enquiry, we would say that your Carbonizer, placed in our billiard-room on Great St. James Street on the 4th September, has given us entire satisfaction. Before we had it introduced we were burning about 1200 feet of gas per night, with 50 burners, running about 5 hours. We are now burning less than 2000 feet per night, running about 6 hours, with 62 burners, and fully as much light. We therefore confidently recommend it to all who wish to economise in burning gas.—Very truly yours, To Mr. Robt. Alsop. Jos. Dixon & Bro.

The Subscriber begs leave to call the attention of all who are using gas to the above really valuable improvement. Do not suffer yourselves to be influenced by the prejudice produced by the numerous so-called improvements which have been offered within the last few years; but see and judge for yourselves. Every information will be given, and the operation of the apparatus shewn and explained by ROBERT ALSOP, at the Office of the Petroleum Gas Co., No. 156 Great St. James Street. May 14.

PAIN KILLER! IT IS A BALM FOR EVERY WOUND. OUR FIRST PHYSICIANS USE

And recommend its use. The Apothecary finds it first among the medicines called for, and the Wholesale Druggist considers it a leading article of his trade. All the dealers in medicine speak alike in its favor, and its reputation as a medicine of great merit and virtue is fully and permanently established, AND IT IS THE GREAT Family Medicine OF THE AGE.

TAKEN INTERNALLY IT CURES Dysentery, Cholera, Diarrhoea and Cramp and Pain in Stomach, Bowel Complaint, Painter's Colic, Liver Complaint, Dyspepsia or Indigestion, SORE THROAT, SUDEN COLDS, COUGHS, &c. TAKEN EXTERNALLY IT CURES BURNS, CUTS, BRUISES, FELONS, SCALDS, OLD SORES, SPRAINS, SWELLING OF THE JOINTS, TOOTHACHE, PAIN IN THE FACE, NEURALGIA AND RHEUMATISM, FROSTED FEET, &c., &c.

Pain is supposed to be the lot of us poor mortals as inevitable as death, and liable at any time to come upon us. Therefore it is important that remedial agents should be at hand to be used on an emergency, when we are made to feel the excruciating agonies of pain, or the depressing influences of diseases. Such a remedial agent exists in PERRY DAVIS' PAIN-KILLER, the name of which has extended over all the earth. Amid the eternal ices of the polar regions, or beneath the intolerable and burning sun of the tropics, its virtues are known and appreciated. And by it, suffering humanity has found relief from many of its ills. The effect of the Pain-Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it the most prominent position among the Medicines of the day.

Read the following Testimonials: Rev. J. E. CLOUGH, Missionary at Ongole, Southern India, writes:—"We esteem your Pain-Killer very highly for scorpion stings, cholera, &c., and cannot very well get along without it."

Rev. I. D. COLBURN, Missionary at Tavoy, Burmah, writes:—"I shall be happy to assist in extending a knowledge of a remedy so speedy and effectual." Rev. M. H. BIRBY, Missionary to the Shans, writes:—"Your Pain-Killer has become an almost indispensable article in my family." Hundreds of missionaries give similar testimony to its virtues.

Rev. J. G. STEARNS writes:—"I consider it the best remedy for Dyspepsia I ever knew." Rev. JAMES SWAN says:—"I have used it for years in my family, and consider it an invaluable remedy." PERRY DAVIS' PAIN-KILLER.—This medicine has become an article of commerce, which no medicine ever became before. Pain-Killer is as much an item in every bill of goods sent to country merchants as tea, coffee, or sugar. This speaks volumes in its favour.—Gleaner's Valley Messenger.

A speedy cure for pain—no family should be without it.—Montreal Transcript. Our own opinion is, that no family should be without a bottle of it for a single hour. In flesh wounds, aches, pains, sores, &c., it is the most effectual remedy we know of.—News, St. Johns, Canada.

After many year's trial of Davis' Pain-Killer, we advise that every family should provide themselves with so effectual and speedy a Pain-Killer.—Advertiser (N.S.) Gazette. The Pain-Killer of Perry Davis & Son we can confidently recommend. We have used it for a length of time, and invariably with success.—Canada Baptist.

It has been tested in every variety of climate and by almost every nation known to Americans. It is the almost constant companion and inestimable friend of the missionary and the traveller, on sea and land, and no one should travel on our lakes or rivers without it. Beware of Counterfeits and worthless imitations: call for PERRY DAVIS' VEGETABLE PAIN-KILLER and take no other.
