MANITOBA: Manitoba Provincial Liberal Association, through which the National Office works in keeping in touch with the Federal Riding Associations.

This Province has 17 Federal Ridings, which according to the records of the National Office, are all organized as per attached list. No recent information, however, has been received from Manitoba with regard to any changes which may have taken place in these Riding Associations.

In the constituencies where there are Liberal-Progressive Members, it is particularly well to communicate when necessary, direct with the Provincial Liberal Association.

SASKATCHEWAN: Saskatchewan Provincial Liberal Association, through which the National Office works in keeping in touch with the Federal Ridings.

This Province has 21 Federal Constituencies, all of which are, according to the records of this office, recently received, organized as per attached list.

ALBERTA: Alberta Provincial Liberal Association.

In keeping in touch with the Federal Ridings in this Province, this National Office communicates with Hon. Charles Stewart,

This Province has 16 Federal Ridings, all of which, according to the records of this office, are organized as per attached list.

BRITISH COLUMBIA: The National Office has no record of a Provincial Liberal Association in this Province, working Federally.

This Province has 14 Federal Ridings, all of which are, according to the records of this office, organized as per attached list.

The star (*) represents the Associations from which information of changes in executives have been received during the present year.
