Ottawa, Ontario, March 29, 1913.

Madam,-

I have to acknowledge receipt of your letter of the 24th instant referring to engagement in one of the summer schools conducted by the Department. In reply I beg to say that a teacher has already been engaged for the Bear Island school. The only other vacancy, in view at present, is the summer school at Abitibi. This is, however, in a very remote district and possibly, I should not care to undertake the work. Should you, however, wish information respecting it, you might correspond with Reverend Father Evain, North Temiskaming.

Your obedient servant,

Assistant Deputy and Secretary

Miss Irene Aberne,
