April 12th, 1920.

Sir,-

I am in receipt of your last communication dated April 3rd together with vouchers amounting to \$557.82, for electrical goods supplied to the Fort Frances Indian Boarding School.

In reply I beg to call your attention to the Department's letter of October 14th, 1919, which stated that the total expenditure should not exceed the amount of the estimate submitted by you. It now appears that the amount of the estimate has been exceeded. Consequently I would request you to advise me of the reasons which have necessitated this additional expenditure.

Your obedient servant,

Asst. Deputy &amp; Secretary.
