MacKinnon, 1 Pm. IC BRD

This case was handed over to me about
two days ago to check I was unable to get
up to check & obtain proof of P. OSMITH'S
statement. I ask the Court to believe that
the certificate of arrest marked "B"
is in error in that it is marked "Was
arrested at Salerno", when it should read
"was handed over under close arrest at Salerno".

The accused is very pale and not Sunburned
which I think you to believe comes from
his confinement in Reggio Marina &
again in Reggio. If the Court does
consider this plea I ask them to consider
that he has already undergone 2 mos.
in detention. The accused is married.
