The Churchills intended to assist in the new house. Subsequently and without any delay, thoroughly re-modelled inside and outside to the amount of

near, the church was purchased by new-owners, re-furnished with new pews, finished the interior about \$1200. The church now owns the building and the public are free and welcome. This church building was purchased at a cost of \$10,000.

The history of the church is characterized by records showing its history of trials and temptations, but have tended to prosperity and its dark years of adver-

sity; but through them all its trust has been in God and in His promise that He never would forsake His people, but give unto them His Kingdom.

During the history of the church it has had 15 pastors—the longest six years; the shortest six months.

Present number of members, 258.
