This is the kind of test that only one fence can stand

This actually happened to a **Page Wire Fence** on the farm of Joseph M. Reist, Alsfeldt, in Normandy township, Grey County, and this is what Mr. Reist writes about it:

"Last spring I purchased 200 rods more and had the fence erected in the woods. Laterly these fell these trees over it, crushing it to the ground without breaking any wire. After the trees were removed the fence went back to its place and is as tight as before. I can say from my experience, the Page is the cheapest, best and only fence worth a man's time and money to put up."
