(2) If the father (or mother, if the father is deceased) of the homesteader resides upon a farm in the vicinity of the land entered for the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

"Clarke's" Gloves

Made from every leather from which good gloves can be made, and every glove is stamped, so that you know exactly what you are getting.

"Clarke's" Horsehide—real horsehide, not cowhide—is our best working glove—and we guarantee it to be heat and wet proof; soft, pliable, and neat fitting; will wear like iron, and stand scorching and scalding without getting hard.

Tanned in our own tannery and made up in our own factory. We do not buy the leather, like other makers of these gloves—the wearer gets the advantage of the profit thus saved in extra value.

See that the gloves you buy are stamped "Clarke's."

Sold by enterprising dealers every-
where.

Write for our catalogue. It's free.
