

IDEAL WOVEN WIRE FENCE

When you build fence, you ought to be thinking of permanent improvements. Tinkering does not pay. Fences made of light wire, and wires that break rather than give when it gets cold; fences that an unruly animal could break through; fences not properly stayed—these are not paying fences. It takes only a glance at the Ideal fence to see that it is the right kind. It is made of No. 9 hard steel wire from top to bottom, and is heavier and stronger than any fence on the market. Remember, it costs no more to dig your post holes, set your posts, stretch your fence and staple it when the heavy Ideal fence is used than for a light, flimsy article. And notice how the Ideal fence is looked at every crossing. It is heavily galvanized to keep off rust. It will adapt itself to the greatest extremes of heat and cold, and always present a handsome, well stretched appearance. You do not buy fence for exactly the same reasons. It pays to study the matter over thoroughly before you buy any kind of a fence. We have prepared a little book that will tell you all about Ideal fence. It gives fence pointers and details that we cannot give here. Write and let us send it to you. A postal will do, write today.

GOSSIP.

GREEN GROVE SHORTHORNS.

One of the leading Canadian Short-horn herds is Green Grove Herd, the property of Mr. Geo. D. Fletcher, Binkham P. O., Wellington Co., Ont. This well-appointed farm lies a short distance from either Hillsburg or Alton stations, on the C. P. R., and is the home of an extra choice lot of Scotch Shorthorns, representing the Missie, Nonpareil, Orange Blossom, Cruickshank Mysie, Butterfly, Crimson Fuchsia and Languish families, and a better lot of the very thick-fleshed, deep-bodied, straight-lined, quality Shorthorns would be very difficult to find.

Many of the younger females are the get of the massive prizewinning bull, Spicy Robin, a bull that had few equals as a sire, or as an individual; topping these again with Imp. Joy of Morning, the present stock bull, a Toronto first-prize winner, the result is exceedingly satisfactory. Joy of Morning is proving the good judgment of his importer, who said,

"There is a bull that should prove one of the best sires that ever left Scotland."

Anyone who thinks differently had better take a trip to Mr. Fletcher's farm, and look over his get there.

Mr. Fletcher is continually getting enquiries for bulls of his get, not only from Canada, but from different parts of the States, and at present has only one two-months-old bull calf on hand.

But in females there are several, among which is a red yearling, out of an imported Orange Blossom cow, that is a show heifer all over, and another younger one, a full sister, that will be equally as good.

Space forbids a more extended description of the many good heifers, from one to three years of age, the get of Spicy Robin and Joy of Morning, which are A1 individuals, with gilt-edged breeding, any of which are for sale.

Mr. Fletcher also has on hand, as second sire in service, the roan Orange Blossom bull, Orange Boy, by Imp. Marquis of Zenda, and out of Imp. Flora, an Orange Blossom.

This young bull, his owner thinks, is the making of one of the best he ever owned.

He is thick, smooth, straight and even, and being so richly bred, should prove a sire of exceptional merit.

Recently, Mr. Fletcher sold to Alex. Burnett & Son, of Alma, a young bull, by Joy of Morning, out of a Mysie dam, that should prove a bonanza to his owner, as he is a cracker, and another extra good one to Wm. Scaife, of Grand Valley.

Mr. Fletcher also has on hand a few choice Yorkshires, from imported sire and dam, and recently sold three very fine young sows to Smith Bros., of Beachville, and a young boar to J. D. Ferguson & Sons, of Belmont, and another young sow to Clarence C. Wilson, of Hawkestone.

MAKES MEN SOUND AND STRONG

Detroit Specialist Making Men's Diseases a Specialty for Years, Will Accept Your Case, Giving It Individual Treatment. You may Use it in the Privacy of Your Own Home.

You May Pay When You are Cured.

A Detroit Specialist who has 14 diplomas and certificates from medical colleges and state boards of medical examiners, and who has a vast experience in doctoring diseases of men, is positive he can cure a great many so called incurable cases;

DR. S. GOLDBERG.

The possessor of 14 diplomas and certificates, who wants no money that he does not earn.

In order to convince patients that he has the ability to do as he says, Dr. Goldberg will accept your case for treatment, and you need not pay one penny until a complete cure has been made; he wants to hear from patients who have been unable to get cured, as he guarantees a positive cure for all chronic, nervous, blood and skin diseases, which he accepts for treatment. He not only cures the condition itself, but likewise all the complications, such as rheumatism, bladder or kidney troubles, blood poison, physical and nervous debility, lack of vitality, stomach trouble, etc.

The doctor realizes that it is one thing to make claims and another thing to back them up; so he has made it a rule not to ask for money unless he cures you, and when you are cured, he feels sure that you will willingly pay him a small fee. It seems, therefore, that it is to the best interests of everyone who suffers to write the doctor confidentially and lay your case before him, which will receive careful attention, and a correct diagnosis of your case will be made free of charge; if you have lost faith write him, as you have everything to gain and nothing to lose; you must remember not one penny need be paid until you are cured.

All medicines for patients are prepared in his own laboratory to meet the requirements of each individual case. He will send a booklet on the subject, which contains the 14 diplomas and certificates, entirely free. Address him simply Dr. S. Goldberg, 208 Woodward Ave., Room 135, Detroit, Michigan. Medicines for Canadian patients sent from Windsor, Ont., consequently there is no duty to be paid.
