

Children's Department.

A Dream of Fair Children.

The little kings and queens of old,
The baby princes fair,
Drift like a pageant through my dreams,

And Arthur, child of fate; and she
Of Normandy the flower;
And Joan of Arc, the mystic child;

And see! along the vales of France,
And through the Saxon lands,
The children of the holy cross

Oh, little children of the past,
Your tender smiles and tears,
Your royal rights, your cruel wrongs,

Stop that CHRONIC COUGH NOW!

For if you do not it may become consumptive. For Consumption, Scrophula, General Debility and Wasting Diseases, there is nothing like

SCOTT'S EMULSION

Of Pure Cod Liver Oil and HYPOPHOSPHITES
Of Lime and Soda.
It is almost as palatable as milk. Far better than other so-called Emulsions.

THE SEMI-TONTINE RETURN PREMIUM PLAN

Provides that should death occur prior to the expiration of the Tontine period, the whole of the premiums that may have been paid will be payable with, and in addition to the face of the policy—thus securing a dividend of 100 per cent. on the premiums paid, should death occur during said period.

THE COMMERCIAL PLAN.

The large number of business and professional men who have taken out large policies on the Company's Commercial Plan, show the demand for reliable life insurance relieved of much of the investment elements which constitutes the over payments of the ordinary plans, is not confined to men of small incomes, but exists among all classes of our people.

NEW SERIES Sunday-School Lessons

BY THE REV. WALKER GWYNNE.

EDITED BY THE RT. REV. W. C. DOANE, S. T. D., BISHOP OF ALBANY.

"Bible Lessons for the Christian Year."

"Picture Lessons for the Christian Year."

Both of these Series are Intended to Supplement the "Manuals of Christian Doctrine," and to be Used Harmoniously with them.

The "BIBLE LESSONS" follow the "LECTIONS" for the first year in the "Manuals" (New Testament). They will be in two grades, Junior and Senior, the latter being meant for teachers and Bible classes.

The "PICTURE LESSONS" are intended for Infant classes, and also follow the same general teaching as the Manuals. They will consist of, 1st—a brief lesson paper, partly narrative and partly questions, with outline drawings. 2d—Fifty-two large, exquisitely drawn Bible pictures, 3 ft. x 2 ft., specially designed to illustrate this series, by the eminent English artist, Mr. Wyndham Hughes.

The lessons of both series will be published in quarterly numbers, the Junior and Infant grades being so arranged as to allow of each lesson being cut apart if desired. The Pictures will also be published quarterly in sets of thirteen, mounted on a roller.

Table with 2 columns: Item and Price. Bible Lessons, Senior, Per Year, \$0 25; Bible Lessons, Junior, Per Year, 0 12; Picture Lessons with Outline Drawings, Per Year, 0 10; Bible Pictures, Per Quarter, \$1 25, Per Year, 5 00.

It is to be remembered that one set of these pictures will serve a school for many years, and that the price of the Picture Lessons, 10 cents, is less than that usually charged for lesson papers containing a small outline drawing. It is obvious also that large cartoons, besides possessing so much more beauty and instruction, have the advantage that they are always fresh every Sunday.
