THE COMPOUND INVESTMENT PLAN

Combines all the advantages of insurance and
investment, and under it the Company guaran-
tees after the policy has existed for ten years if
the insured so desires, to loan to him the annual
premiums as they mature, thus enabling him to
continue the policy in force to the end of the
investment period. Should death occur after the
tenth year the full face of the policy will
be paid, and loan (if any) cancelled.
