EDITORIAL NOTES.

A syndicate with a capital of \$10,000 has been formed in Palmerston for the purpose of buying all kinds of farm produce such as butter, eggs, poultry.

Col. Baden-Powell at Mafeking has been kept busy and has gallantly defended the town, inflicting considerable loss on the enemy. Gen. Redvers Buller will, no doubt, relieve the town as soon as possible.

London, Nov. 12.—The Allan Line steamer Sardinian from Quebec with the Canadian Contingent for South Africa has arrived at St. Vincent, Cape Verde Islands. The Sardinian left Quebec on Oct. 30th, at 4.15 p. m. She has still 4400 miles to travel to reach Cape Town.

The war in the Philippines was nearly over this week. Colonel Hayes captured Aguinaldo's Secretary and was sanguine that he had Aguinaldo surrounded so that he could not escape, but presto! next mail brought word that Aguinaldo did not remain surrounded. He had vanished together with his army and cabinet. So the game of blind man's buff is still going on. The United States officer are confident that another month will finish the campaign.

Artemesia Tp., Grey County, has suffered two defeats at law during the past year, the total of which is about \$1400. When settlers first arrived in Artemesia it was nicknamed the "Heart of Misery" on account of its swamps and June frosts. If the council of that Tp. keeps at law the old nickname should be revised, for there will be many "Hearts of Misery" when the collector interviews the rate payers.

The Transvaal war is getting exciting. At Ladysmith, General White is surrounded by the Boers under General Joubert. There have been several engagements on a small scale in which the British are said to have been victorious, but no details of casualties on the part of the Boers have been made known. General White reports that he can hold out for weeks, and as the troops sent to his assistance are arriving at Durban daily, he will be sure of relief in a few days. At Kimberley fighting is going on continually but no material damage has been done to the defences yet and the garrison is in good spirits.

A very thrilling experience happened to Miss Frances Hinds, the beautiful daughter of Mr. and Mrs. B. Hinds, Elsinore, she being the victim of vomiting a large, live frog a few days ago, having vomited two smaller ones four years ago. Miss Hinds has been sick for the past five years. She went to several doctors and they were puzzled with her condition. Four years ago ago they did not think she would last very long and one night she vomited these two small frogs. Of course, since she suffered terribly, till a few days ago a larger frog came up. They think there are more in her stomach as she is suffering intense pain yet. Several days before she told her people that there was a frog in her stomach and sure enough the little heroine was right. Last winter she was very low for a few weeks and through the careful nursing of her mother and skilful medical treatment she seemed to get very much better. Frances will never forget the terrible shock and what she had to come through but we all sympathize with her as she is a great favorite with old and young and we hope to hear of her rapid recovery in a little to enjoy life again.
