

Coffee

Now is the time of the year when a cup of hot, well made coffee is a grateful and much appreciated beverage at the breakfast table.

Our Star Blend

30 cents per pound

Coffee is better than any other coffee you have ever used that costs the same money. A far-reaching statement, we admit, but nevertheless true.

Prove it by ordering a pound of the Coffee. The flavor will speak for itself.

It's a "Star" Blend. We know it is good. That's why we recommend it.

Remember the price—30 cents a pound—ground or in the bean.

Some of our other Coffees are:

Roasted Rio	at	20 cts.
Golden Rio	at	25 cts.
Capital	at	40 cts.
Rideau Hall	at	45 cts.

Funeral Procession.

A town that never has anything to do in a public way is on the way to the cemetery. Any citizen who will do nothing for his town is helping to dig the grave. A man who curses the town furnishes the coffin. The man who is so selfish as to have no time from his business to give to town affairs is making the shroud. The business man who will not advertise is driving the hearse. The man who is always pulling back from any public enterprise throws bouquets on the grave. The man who is so stingy as to be howling hard times preaches the sermon and sings the 'doxology' and thus the town lies buried from all sorrow and care.

Austria is rapidly losing its church bells as the military authorities are every where carrying them off to be melted down for munitions. It is estimated that at least two thirds of the whole number will be taken, including many famous and historic bells, although it was said at first that these would be left. Of the eight bells in the well-known convent church at Admont five have been taken and in the parish church only the smallest of three has been left.
