REDUCED RATES OF PREMIUM—HALF
CREDIT RATES OF PREMIUM.

THE great and decided success which has at-
tended this Institution, has induced the Di-
rectors to REDUCE the RATES originally re-
quired in British North America, to the ordinary
European Rates. The result of such Reduction
is to enable parties to avail themselves of the im-
portant benefits to Life Assurance at much lower
Rates of Premium than those of any other Assur-
ance Company transacting business in Canada.
The Directors have also resolved to extend to
British North America the advantages afforded
by the HALF CREDIT RATES OF PREMIUM
which have been so highly approved, and are so
generally adopted by Policy Holders in the United
Kingdom. The most liberal conditions are like-
wise offered to the Assured in the limits to which
they may proceed by sea or land, to other parts of
North America without affecting their Interest in
their respective Policies.

Resident Director.

CANTON HOUSE.
FAMILY TEA, COFFEE AND SUGAR
WAREHOUSE,
No. 109, Notre Dame Street.

SAMUEL COCHRAN invites the attention of
Customers to his stock of TEAS and
COFFEES, which have been selected with the
greatest care, and on such terms as allow him to
offer them at unusually low prices.
The MACHINERY on the Premises, worked
by a Four Horse Power Steam Engine, for Roast-
ing and Grinding Coffee, is on the most approved
plan, the Coffee being closely confined in polished
metal spheres, which are constantly revolving and
scrubbing in heated air chambers, is prevented
imbibing taint from Smoke, danger of partial car-
bonization of the Bean and loss of Aroma, so im-
portant to Connoisseurs, which is further ensured
by attention to Grinding at the shortest time
prior to Sale. To this elaborate process SAMUEL
COCHRAN owes the high reputation his Coffee
has obtained through a large portion of the Pro-
vinces.
CRYSTALIZED SUGAR (much admired for
Coffee); REFINED SUGAR in small loaves, and
WEST INDIA SUGARS, of the best qualities,
always on hand.
A few of the choicest selections of TEAS may
be had at the CANTON HOUSE, in Native Catty
Packages, unrivalled in flavor and perfume, at
moderate terms.
Families residing distant from Montreal will
have their orders scrupulously attended to, and
forwarded with immediate despatch.

Caledonia Springs, 2nd June, 1851.

[Extract of a letter from J. Lewis, Esq., of Montreal.]
I beg to state that on July, 1846, I went to the Springs
for the purpose of testing their efficacy in a case of the
most violent Rheumatism, under which I had been suf-
fering for several years previous. After remaining at the
Springs for about three weeks, and making free use of
the Waters, my limbs were entirely relieved from all
pain, and my health perfectly restored. Several of my
friends, to whom I have recommended the Springs, assure
me that they have experienced immediate relief from
their use. I consider the Waters of the Caledonia Springs
to be most efficacious in cases of Rheumatism.
To the proprietor of the Caledonia Springs.

MONTREAL, 6th June, 1851.
DEAR SIR,—In compliance with your request, I have
much pleasure in giving you my opinion of the extraordi-
nary efficacy of the Waters of the Caledonia Springs,
long and highly appreciated by those Persons, based upon the
observations of some years' experience, and
tested as they have been in a great many patients, of
mine and others, labouring under Rheumatic affections and
the different forms of disease to which the human frame
is liable. I consider them invaluable. Few persons, ex-
cept those who have suffered from that dreadful malady,
can justly appreciate their wonderful salutary effects. I
have often seen persons martyrs to this disease, (myself
for one during ten years,) which baffled all medical skill,
become Regimed and on their Country, resort to the Cale-
donia Springs walking on crutches, and others that could
not walk at all, seem out by protracted sufferings, and
completely restored, would have been cured by a more
extended use of the spa. That these Waters have acted
in many diseases as a specific, seems to be generally
admitted, and so much respectable testimony to this effect
has already been laid before the Public, that any more
would be superfluous.
To John L. Wilkinson, Esq., H. MOUAT,
Proprietor of the Caledonia Springs. Member of Royal College of Surgeons, London.

MONTREAL, 13th December, 1842.
DEAR SIR,—I have to state that I consider the use of
the Caledonia Waters a very valuable curative agent in
the treatment of many formsof disease. Circumstances
which it would be unnecessary to detail here, would not
enable me to grant you a favorable Certificate with more
than usual propriety, many of my own Patients tested the
efficacy, and derived great benefit from the use, of the
Waters. Of all diseases that have come under my
notice, in which a perseving use of the Baths and
Waters produced the most beneficial results, Chronic
Rheumatism ranks the first. Many of the cures in this
disease have been truly astonishing. I met with a case
of Chronic Rheumatism, where the individual, a delicate female, had
been suffering severely for more than nine months; she
had completely lost the use of her limbs, and could only
be moved from her bed to her couch with great pain and difficulty. After a
walk a few days at Caledonia Springs, she returned free
from pain, and strong enough to walk a considerable
distance without fatigue. I have also found the Waters
useful in Dyspepsia and
