OVER THE BORDER.

The World's Fair will close October 31.  
A tornado did much damage at Mad-  
ison, Wis., on Saturday night before 2,000  
spectators, the American being declared  
the winner of the game and the week's  
contest and much enthusiasm.

Ives began play with the balls as they  
were left Friday night but closed only 19.  
Roberts followed with 20 in the sixth  
the latter left a set-up and Ives ran 170,  
the score being Ives 200, Roberts 42. Then  
the ball was struck by Ives and he ran 54,  
Roberts scored 45, leaving the balls on the  
ball for Ives. The score was—Ives 254,  
Roberts 87. Then Ives took the ball and  
made the biggest run of the match, hit-  
ting until he scored 472, the best  
previous run being 308. The score then  
stood—Ives 826, Roberts 470. In the  
thirty-seventh Ives ran 100, Roberts 372,  
and the Englishman played great billiards  
in the last inning and passed his own best  
score with 100. The final score was—  
Ives 950, Roberts 538. Ives then ran up  
with 84. The grand total was—Ives,  
1,030; Roberts, 1,038.

Mysterious Double Murder.

NEWTON, Pa., Sept. 25.—An inoffensive  
old man, Samuel Rightly, aged 84  
years, and his wife, two years younger,  
who lived on their farm near this place,  
were found murdered some time last  
night.

The murderer set fire to the house, but  
it was discovered by the neighbors and  
extinguished. The charred remains of the  
deceased were found lying on a bed in a  
room on the first floor. Mr. Rightly had  
been fractured by a hatchet on the  
head and Mrs. Rightly's head and face  
were cut in several places. Nothing is  
known as to the motive of the murder,  
the old couple were in indigent circum-  
stances. An inquest is being held to-  
day.

One More Dead.

PERU, Ind., Sept. 25.—Another name  
has been added to the list of those killed  
in the Washburn wreck at Kingsbury.  
Willie Hoeking, one of the London Orphan  
Asylum boys, died yesterday morning after  
two days of intense suffering. Steam heat-  
ing scalded his face so badly that the skin  
on one side of his face fell off. The body  
was also scalded and one leg was terri-  
bly crushed.

Against Mob Rule.

CHATTANOOGA, Tenn., Sept. 25.—The  
Presbytery of Knoxville has adopted a re-  
solution condemning in the strongest terms  
the alarming increase of mob violence and  
injuncting its ministers to do what they  
can to arrest this wide spread and in-  
creasing disregard for the law. Pastors  
were ordered to read the resolutions in full  
to the congregations.

A Pious Fraud.

BOSTON, Sept. 25.—Thomas Richardson,  
of the better firm of Richardson & De-  
nie, and for years a prominent member of  
the First Church on Marlborough street,  
was taken by the police, who want him  
on a warrant charging him with secur-  
ing by false pretence from one firm \$175,000.

The Braikman Blunder.

INDIANAPOLIS, Sept. 25.—Owelle Dun-  
can, brakeman on the first section of the  
Big Four train that was wrecked at Kan-  
kakee, this last week with a sum of \$600  
and who was thought to be in Chicago,  
was found yesterday morning at Leeds in  
a secluded spot, gagged, with arms and  
feet bound tight and in a demented con-  
dition. He was brought into the house  
of his uncle.

It appears that last Tuesday night  
Fafard was seen on board the ferry boat  
going to Leeds. He was in a wagon in  
company with some suspicious characters  
and helped, evidently under the influence  
of chloroform. Fafard may recover from  
the terrible ordeal, but will surely feel  
the effects of this adventure all his life.  
His mental faculties cannot recover.

Weather Probabilities.

OBSERVATORY, TORONTO, Sept. 25.—A  
depression is developing over Lake Michi-  
gan and is likely to cause high west and  
northwest winds over the lake districts.  
Fair weather and moderate temperatures  
at present prevail from the lakes to the  
Atlantic. In the Northwest it is fair  
and calm. In the South it is fair and  
calm. Probabilities: Lakes—Unsettled and  
showery with increasing wind from south  
shifting to northwest.  
St. Lawrence—Unsettled and showery;  
not much change in temperature.  
Gulf and Maritime Provinces—Fine wea-  
ther and moderate winds to-day; some rain  
to-morrow.  
Northwest—Northwest to northeast wind,  
fine weather; cold nights and frost.  
Mysterious Disappearance.

HALLAM, Sept. 25.—People of Round  
Hill are very much excited over the un-  
explained disappearance of Mrs. Herbert Cro-  
sby Sunday, the 17th. On that after-  
noon, in company with another lady, she  
went for a walk down to the river and  
afterwards returned to the road. Since  
that nothing has been heard of her. It  
is thought by some she may only be making  
a visit.

OVER THE BORDER.

The World's Fair will close October 31.  
A tornado did much damage at Mad-  
ison, Wis., on Saturday night before 2,000  
spectators, the American being declared  
the winner of the game and the week's  
contest and much enthusiasm.

Ives began play with the balls as they  
were left Friday night but closed only 19.  
Roberts followed with 20 in the sixth  
the latter left a set-up and Ives ran 170,  
the score being Ives 200, Roberts 42. Then  
the ball was struck by Ives and he ran 54,  
Roberts scored 45, leaving the balls on the  
ball for Ives. The score was—Ives 254,  
Roberts 87. Then Ives took the ball and  
made the biggest run of the match, hit-  
ting until he scored 472, the best  
previous run being 308. The score then  
stood—Ives 826, Roberts 470. In the  
thirty-seventh Ives ran 100, Roberts 372,  
and the Englishman played great billiards  
in the last inning and passed his own best  
score with 100. The final score was—  
Ives 950, Roberts 538. Ives then ran up  
with 84. The grand total was—Ives,  
1,030; Roberts, 1,038.

Mysterious Double Murder.

NEWTON, Pa., Sept. 25.—An inoffensive  
old man, Samuel Rightly, aged 84  
years, and his wife, two years younger,  
who lived on their farm near this place,  
were found murdered some time last  
night.

The murderer set fire to the house, but  
it was discovered by the neighbors and  
extinguished. The charred remains of the  
deceased were found lying on a bed in a  
room on the first floor. Mr. Rightly had  
been fractured by a hatchet on the  
head and Mrs. Rightly's head and face  
were cut in several places. Nothing is  
known as to the motive of the murder,  
the old couple were in indigent circum-  
stances. An inquest is being held to-  
day.

One More Dead.

PERU, Ind., Sept. 25.—Another name  
has been added to the list of those killed  
in the Washburn wreck at Kingsbury.  
Willie Hoeking, one of the London Orphan  
Asylum boys, died yesterday morning after  
two days of intense suffering. Steam heat-  
ing scalded his face so badly that the skin  
on one side of his face fell off. The body  
was also scalded and one leg was terri-  
bly crushed.

Against Mob Rule.

CHATTANOOGA, Tenn., Sept. 25.—The  
Presbytery of Knoxville has adopted a re-  
solution condemning in the strongest terms  
the alarming increase of mob violence and  
injuncting its ministers to do what they  
can to arrest this wide spread and in-  
creasing disregard for the law. Pastors  
were ordered to read the resolutions in full  
to the congregations.

A Pious Fraud.

BOSTON, Sept. 25.—Thomas Richardson,  
of the better firm of Richardson & De-  
nie, and for years a prominent member of  
the First Church on Marlborough street,  
was taken by the police, who want him  
on a warrant charging him with secur-  
ing by false pretence from one firm \$175,000.

The Braikman Blunder.

INDIANAPOLIS, Sept. 25.—Owelle Dun-  
can, brakeman on the first section of the  
Big Four train that was wrecked at Kan-  
kakee, this last week with a sum of \$600  
and who was thought to be in Chicago,  
was found yesterday morning at Leeds in  
a secluded spot, gagged, with arms and  
feet bound tight and in a demented con-  
dition. He was brought into the house  
of his uncle.

It appears that last Tuesday night  
Fafard was seen on board the ferry boat  
going to Leeds. He was in a wagon in  
company with some suspicious characters  
and helped, evidently under the influence  
of chloroform. Fafard may recover from  
the terrible ordeal, but will surely feel  
the effects of this adventure all his life.  
His mental faculties cannot recover.

Weather Probabilities.

OBSERVATORY, TORONTO, Sept. 25.—A  
depression is developing over Lake Michi-  
gan and is likely to cause high west and  
northwest winds over the lake districts.  
Fair weather and moderate temperatures  
at present prevail from the lakes to the  
Atlantic. In the Northwest it is fair  
and calm. In the South it is fair and  
calm. Probabilities: Lakes—Unsettled and  
showery with increasing wind from south  
shifting to northwest.  
St. Lawrence—Unsettled and showery;  
not much change in temperature.  
Gulf and Maritime Provinces—Fine wea-  
ther and moderate winds to-day; some rain  
to-morrow.  
Northwest—Northwest to northeast wind,  
fine weather; cold nights and frost.  
Mysterious Disappearance.

HALLAM, Sept. 25.—People of Round  
Hill are very much excited over the un-  
explained disappearance of Mrs. Herbert Cro-  
sby Sunday, the 17th. On that after-  
noon, in company with another lady, she  
went for a walk down to the river and  
afterwards returned to the road. Since  
that nothing has been heard of her. It  
is thought by some she may only be making  
a visit.
