HENDRIE'S SHIMONESE MADE A NEW RECORD.

(Continued from Page 1.)

proved himself a great race horse, and later he demonstrated he is a grand sire. Others of his get have made names for themselves, including Denham, Kelpie and Glimmer. All these were out of mares that were really classy. Shimone showed before Saturday that she has class, but the Plate race should satisfy the most critical. That Shimone will lead the string this season is the opinion of many good form followers. When the late Mr. Hendrie bought Martimes he purchased better than he knew—perhaps.

The racing on opening day was marked by victories of long priced horses, only two favorites finishing in front. But these favorites were real ones—odds on. One was Flying Squirrel and the other Shimone. The former was 1 to 2. The biggest surprise of the afternoon, and a popular one, was in the first race, when Hon. Adam Beck's Jack Parker galloped home in front at 20 to 30 to 1. The Golden Garter colt nosed out Lady Irma, who was considered the class of the race and was never better than 1 to 2. It was a case of turf history repeating itself, however, as the Hydro-Electric man won the first race last year with Photographer, who was a 40 to 1 shot.

P. T. Quinn who owns Lady Irma, did well later, however, winning two races. His good gelding Donald Macdonald won the Minto Selling Stakes at 6 to 1 and his Lady Esther copped the last race at the wire at 4 to 1. The last race was one of the best betting events of the day, and A. J. Small, the theatrical man, and a close friend of Quinn, nearly landed it with W. I. Hinch. Mr. Small's friends unbuckled on Hinch, and his price was beat down from 15 to 1 to 7 to 1 at post time. Morehouse set an awful pace on Hinch, and had a big lead coming into the stretch. He never quit riding, and Hinch was simply not quite good enough. Lady Irma got the decision by a nose.

The good thing in the steeplechase, J. W. Col's Economy, fell, as did also Auld Refrain, Steve Lee and Capstan, and two long priced horses succeeded in beating out the second choice—Nat Ray's Spencer Reiff. Canas, the winner, was well played at 10 and 15 to 1. Spencer Reiff was a little short, and is worth watching.

Following is the summary.
First race, 6 furlongs—Jack Parker, 104, Harry, 20 to 1; 1. Lady Irma, 100, Deverich, 1 to 2; 2. Darlington, 127, Mentry, 20 to 1; 3. Time, 1:14.5. Silverine, Brown Onyx, Sir Cannon and Personal also ran.

SOCIETY AT WOODBINE RACES

Hamilton society was well represented at the Woodbine track on Saturday—better than for some years. This was due in a measure, no doubt, to the fine weather, and to the fact that it was generally felt that the Hendrie color would finish in front in the King's Plate race—the event that attracts society of the Province.

The Governor-General, the King's representative in Canada, came in as usual by the eastern entrance, in great state and glitter, and galloped down the stretch to the lawn. An escort of police and the Governor-General's bodyguard swept along before and behind with fine style and precision.

The band played "O Canada," and the sonorous chant closed and merged into the national anthem as he arrived at the lawn. Earl Grey alighted and was received by Lieut.-Gov. Gibson, and the Countess Grey followed, bearing an exquisite bouquet of lilies of the valley.

LARGE CROWDS AT THE SOCCER GAMES.

Dundas Defeated St. Luke's and the Lancashires Won From the Hamiltons.

With good weather, good fields and with everything to make ideal football weather, the soccer games on Saturday afternoon enjoyed a large attendance, and the crowds saw some good football of the Association variety.

The game at Dundas between the Dundas and St. Luke's proved a disappointment. It was very evenly contested, but although the St. Luke's expected to at least get a draw their aspirations were short lived, as the Dundas aggregation proved too strong, and the final score was 4-1 in favor of Dundas.

The opening game, Dundas vs. Mayor Lawton, kicked off for Dundas. He kicked against the wind, and the St. Luke's made a terrific onslaught on the Dundas goal, several shots coming near scoring, but Dundas rallied and made things interesting, scoring their first goal. No more scoring was done in the first half.

The beginning of the second half was tame, but Dundas played all around the Saints, but the latter scored their first goal. Dundas succeeded in scoring three more goals before the final whistle blew, the game ending 4-1.

The line-up for St. Luke's was: Elliott, Dickie, Crockett, Coleman, Thomson, Welles, Groat, Scotney, Laupriere, Hewson and Newlands.

The game between the Lancashires and the city team was well contested, and no score was made until the last three minutes of play, when the Lancashires by good luck and good playing managed to kick the pigskin through for a goal. The Lancashires kicked off against the wind, and made things look black for the city team, but they held their own, and no score was made before the half-time whistle blew.

The second half was marked by disappointment for the city team, as one of their men was retired, leaving them with only ten men against their opponents' eleven. Notwithstanding the disadvantage the city team by good combination held their own until the last three minutes of play, when W. Fennel shot the only goal of the game, and before any more tallies could be made the final whistle blew. Fennel, for the Lancashires, played a good game, and Tom Newton in goal played well.

The line-up for the city team was: W. Fennel, Dickie, Crockett, Coleman, Thomson, Welles, Groat, Scotney, Laupriere, Hewson and Newlands.
